

"But it shall come to pass, if thou wilt not hearken unto the voice of Yahweh, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee...until thou be destroyed, because of the wickedness of thy doings"
- Deuteronomy 28:15

Because of their rampant apathy, witchcrafts, materialism, plundering, partial-birth abortions, murders, adultery, sodomy, pornography, usury, drug abuse and the breaking of all YHWH's loving Laws and Commands, Americans celebrate their license to sin all in the name of "liberty" (using the U.S. "Bill of Rights"). Now America suffers under the curses of terror, foreign wars, fiat currency, martial law, high taxes, & industry/job exportation with eventual destruction as detailed by YHWH's Prophets. This national schizophrenia has transformed a once great nation into another Nazi police-state headed by the very secret Elite who financed Adolf Hitler and the Holocaust. A Luciferian state is rising out of the ashes of 9-11, and blind patriots wave their flags in a blissful stupor! Turn to YHWH's Son Yahsha Messiah - avoid the wrath to come!

"None are more hopelessly enslaved than those who falsely believe they are free."

WAR IS A RACKET

"The high office of the President has been used to foment a plot to destroy the Americans' freedom and before I leave office, I must inform the Citizen of his plight."

- John F. Kennedy,

Columbia University, 10 days before his assassination Because of the lawlessness of paganized christianity which has tossed aside the perfect code of Law given from Mt.Sinai, the One and Only Mighty YHWH and King of the Universe has allowed secret societies & mafia criminals to hijack leadership and 'burn' the common law. Not only do they despise righteousness, they worship and serve the god of this world, enslaving and sacrificing your sons and daughters on the Altar of War - all for profit and their Elite-orchestrated sacrifices of the global masses.

Empires mean war. Wars mean the stifling of dissent and constriction of free thought at home. This happens every time. Repeat: every time. As with Rome, so Amerika today. Freedom of expression is a meaningless concept if everyone thinks the same. It is how *dissenters* are treated that enables us to measure how free a society is. Empires also prevent people from governing themselves. That is because wars destroy truth. Without freedom of information from the elected and appointed leaders of the government - that is, without truth- how can 'the people' rule? Since YHWH's standard of truth is suppressed, the US has become the classic fascist's dream where foreign banks, multinational corporations, and the U.S. military-industrial-pharmaceutical complex now own and run media power and all three branches of a bankrupt corporation. The shadowy "oil"agarchs engineer "terror" to justify wars for unending profits and further consolidate power. *Pull your head out of the sand* and declare your dependence - NOT upon man-made traditions & fascist tyrants, but upon Almighty Yahweh Who alone can deliver you from the War Horses unleashed after the manufactured terrorism of 9-11.

FASCISM - A philosophy or system of government that advocates or exercises a dictatorship of the extreme right, typically through the merging of state and business leadership, together with an ideology of belligerent nationalism. The "Fasces" was a symbol of imperial power in ancient Rome. A bundle of sticks bound together, it represented the "many bound together as one".
< Notice this Roman "Fasces" on the wall behind the Speaker's Podium US House of Representatives chamber, U.S. Capitol.

Hitler used these same occult symbols of power. Notice this Nazi-era war stamp>

"A dictatorship would be a heck of a lot easier, just so long as I'M THE DICTATOR!"

- George W. Bush, - CNN transcript 12/18/2000

No one knows the Bush extremists better than Ray McGovern, a former senior CIA officer & personal friend of George Bush senior, who admitted, *"They were referred to as the Crazies in the circles in which I moved when I was briefing at the top levels of policy and intelligence circles."* There is plenty of documented evidence that they have been planning these (terror) attacks for a long time and that 9/11 accelerated their plan. Not only was every word of this false, it was part of a big lie invented in Washington within hours of the attacks of September 11, 2001 and used to hoodwink the American public and distract the media from the real reason for attacking Iraq. It was 95 percent charade, so was the connection of Iraq with al Qaeda. It was all PR! Nazi Germany's Josef Goebbels had this dictum: If you say something often enough, the people will believe it." He also warned: *"I think we ought to be worried about fascism here in the US."*

America 'Pearl Harbored' - A neo-conservative Washington-based organization known as the Project for the New American Century (PNAC), funded by three foundations closely tied to Persian Gulf oil and weapons and defense industries, drafted the war plan for U.S. global domination through military power. The PNAC was founded in the spring of 1997 by the well-known Zionist neo-conservatives Robert Kagan and William Kristol of The Weekly Standard. Dick Cheney, Donald Rumsfeld, Jeb Bush, and Paul Wolfowitz signed a Statement of Principles of the PNAC on June 3, 1997, along with many of the other current members of Bush's "war cabinet." A subsequent PNAC plan entitled *"Rebuilding America's Defenses: Strategies, Forces and Resources for a New Century."* reveals that the current members of Bush's cabinet had already planned, before the 2000 presidential election, to take military control of the Gulf region whether Saddam Hussein is in power or not" the 90-page PNAC document of September, 2000 reveals.

WALL STREET FINANCES

Hitler's War on the World

"For the love of money is the root of all evil"

1 Timothy 6:9-10

"Certain American industrialists had a great deal to do with bringing fascist regimes into being in both Germany and Italy. They extended aid to help Fascism occupy the seat of power, they are helping to keep it there." - William E. Dodd,

U.S. Ambassador to Germany, 1937

Without help from U.S. industrialists, Hitler might never have been able to wage World War II. Antony Sutton's book shows that while most Americans were appalled by the Nazis and the rearming of Germany in the 1930s, some of America's most powerful corporations were more concerned about making a buck from their German investments. Here are a few examples of how United States' industries supported Hitler....

Ford Motor Company - French Ford produced machine tools and 20 trucks a day for the Nazi Wehrmacht of Germany.

General Electric (GE) - was prominent in financing Hitler, it profited handsomely from war production—and yet its German facilities managed to evade Allied bombing in World War II.

Standard Oil - "The Rockefeller family is furnishing millions of dollars to help Germany." (Report from the US Commercial Attaché in Berlin, Germany, Jan.1933 to the State Dept. in D.C.)

(ITT) - J.P.Morgan funds Hitler's Focke-Wolfe aircraft industry.

Chase Manhattan Bank - Rockefeller family invests heavily.

IBM - leased custom designed technology helped Nazis identify Jews, confiscate their property, deport & even exterminate them.

- book by Edwin Black - IBM and the Holocaust

General Motors - "Between 1932 and 1939, bosses of General Motors poured \$30 million into I.G.Farben plants General Motors was committed to full-scale production of trucks, armored cars, and tanks for Nazi Germany."

- Trading with the Enemy, C.Higham

How BUSH's Grandfather Helped HITLER's Rise to Power

George Bush's grandfather, the late U.S. Senator Prescott Bush was a director and shareholder of companies that profited from their involvement with the financial architects of Nazi Germany. His business dealings, which continued until his company's assets were seized in 1942 under the Trading with the Enemy Act, has led more than 60 years later to a civil action for damages being brought in Germany against the Bush family by two former slave labourers at Auschwitz. But the new documents reveal that the firm he worked for, Brown Brothers Harriman (BBH), acted as a US base for the German industrialist, Fritz Thyssen, who helped finance Hitler in the 1930s. Brown Brothers Harriman-the world's largest private investment bank, and Union Bank bought & shipped millions of dollars of gold, fuel, steel, coal and US treasury bonds to Germany, both feeding and financing Hitler's build-up to war. **The Guardian UK 9/25/04 BUSH-Nazi Dealings Continued Until 1951** The Library of Congress confirms the Bush fortune as Prescott Bush continued his Nazi dealings unabated. - **New Hampshire Gazette, 11/07/03**

REICH-LAND SECURITY

"Those willing to give up a little liberty for a little security deserve neither security nor liberty" - Ben Franklin

"If terrorists use WMD that inflicts large casualties, the free world loses what it cherishes most - freedom and liberty... this will militarize the country and unravel our constitution."

-General Tommy Franks, Cigar Aficionado, Dec.03 interview

As George W. Bush has been ruling by Executive Order since 9-11, America officially entered that state of Martial Law. Critics of the US un-Patriot Act, rushed thru Congress in the wake of the 9-11 attacks, show that it curtails civil liberties and sets a dangerous precedent. In the latest issue of "World Currency Review," veteran British intelligence analyst Christopher Story warns us to expect a tyranny in America worse than Nazi Germany or Stalinist Russia. The list of "former" KGB generals hired for the new Dept of Homeland Security includes Yevgeny Primakov, Alexander Karpov and Oleg Kalugin! Story says these men continue to serve "the covert Communist Party of the Soviet Union."

The Dept. of Homeland Security, headed by Israeli-US joint citizen Michael Chertoff, is accountable to the President only. Its entire dealings are secret. It operates with impunity. Story writes: "The language of Patriot Act II is believed to be lifted almost verbatim from ... the Soviet's Internal Security Enhancement Act (1965). A system of internal SPYING is being installed... along East German STASI lines [with help of consultant] East German Nazi-STASI General Marcus Wolf."

In an interview, KGB's Primakov volunteered that "once the National Identity Card Act (NICA) passes, the Posse Comitatus Act overturned, & as other forms of repressive legislation are approved, the White Horse will have acquired greater control over the American people than the Kremlin could exert when Stalin was alive." Christopher Story is describing the stealth Nazi like and Communist takeover with the financial rape of the USA. **200 US Cities Vote to Reject Anti-Terror Patriot Act** Cities across the country have been quietly staging a revolt against the USA Patriot Act, saying it gives law enforcement too much power and threatens civil rights. - ABCNews.com 7/03/02

VP CHENEY ORDERS AND OVERSEES MULTIPLE 9-11 NORAD STAND-DOWN DRILLS In May of 2001, by presidential order, Cheney was handed direct control of all war-game and drill operations and was solely in charge of the overlapping NORAD drills and war games on the morning of 9/11, that prevented any of the hijacked planes being intercepted.

According to CNN, from an underground bunker in the White House, V.P. Cheney was conducting terrorist hijacking drills. During the time that an airplane was flying toward the Pentagon, there was a young man who would come in and ask the Vice President, "Do the stand down orders still stand?" NAZI Death's Head: SKULL & BONES

"You were both (G.W.Bush & John Kerry) in Skull and Bones, the secret society?" - Tim Russert, Meet the Press 2/10/04 **President George W. Bush** replies, "It's so secret we can't talk about it."

"It all began at Yale. In 1832, General William H. Russell and Alphonso Taft put together a super secret society for the elite children of the Anglo-American Wall Street banking establishment. William Huntington Russell's step-brother Samuel Russell ran "Russell & Co.", the world's largest OPIUM smuggling operation in the world at the time. Alphonso Taft is the Grandfather of our ex-president Howard Taft, the creator of the Forerunner to the United Nations." To be initiated, they are forced to take part in satanic rituals in a windowless building at Yale University, known as The Tomb. As part of the initiation ritual, new members engage in homosexual acts in a coffin as they divulge their entire sex life and other deep personal details. The constant threat of blackmail from then on ensures that the initiate will be entirely compliant in serving the satanic Skull & Bones Order, whose ultimate goal is world domination. Members include Bush lineage: Pres. George W. Bush (1968), his father George Herbert Walker Bush (1948), grandfather Prescott Bush (1917), even his great grandfather George H. Walker.
