

"And behold, there sat women weeping for Tammuz.

Then He said to me, Have you seen this, O son of man? Turn yet again, and you will see greater abominations than these." - Ez.8:14-15

Throughout the world, national cultures are often supported by popular belief structures or some traditional religion. In America, a society saturated in sensuality and sex, the nation has plummeted into moral degeneracy, where shame has but lost all meaning. The raunchy tabloid-like scandals of adultery, fornication and licentiousness make headline news. And who is star of the show? He who holds the highest and most respected office on earth - the President of the United States. Although Billy Graham makes excuses for his friend's - *Bill Clinton's - infidelity*, has traditional Christianity failed in its *supposed* mission of teaching morality and virtue among those of the Western world? Or rather, does traditional "churchianity" actually succeed in conquering America's subconscious mind with its blatant rites of fertility and sex worship as adopted from the ancient pagans long ago?

Did the coming "King of kings" actually die on a CROSS? Is Catholic Christianity an honest & dependable source for YHWH's truth? Or does it symbolize the very system of deception warned against by Yahsha Ha'Mashiyakh and His faithful Apostles? THE REMNANT OF YHWH dares to expose as abominations the fertility symbols of the cross, "Easter" eggs, etc. and reveal them to be the evidences of ancient pagan Sun-worship -- just the tip of the iceberg of a host of sins which birthed thousands of years BEFORE the Jewish King!

† TRUTH IS SUPPRESSED

"The truth is suppressed, and he that departs from evil is accounted as mad and makes himself a prey." - Isa 59:15.

As "Pontifex Maximus" or High Priest of the pagan Mysteries, the Roman Catholic Pope keeps "hidden" and suppresses the true origins of the pagan Mysteries from the people, for he is the keeper of the "mystic keys" of the pagan god - Janus (*Babylon Mystery Religion*, Ralph Woodrow, Ch.11 - *Pagan Origin of Papal Office*, pp.71-82.) Exposing the truly solar-based and occultic nature of Christianity's doctrines would severely limit his ability to keep control over his flock. We, THE REMNANT OF YHWH accept the challenge of exposing this fertility fraud and prove, once and for all, the utter hopelessness and futility of placing one's "faith" in a mystical system of superstition and "old wives tales"- 1Tim. 4:7. "Prove all things, hold fast that which is righteous/lawful" - 1Thes. 5:21.

Long ago, just after the Flood, people forgot YHWH (Gen.10:8). It is also recorded that there arose a tyrant and self-appointed "Pontifex Maximus" named Nimrod who persuaded the people to rebel against YHWH and who taught that only prosperity and blessings would follow those who worshiped the great SUN. In so doing, to explain the strange cyclical phenomena of nature, they invented an elaborate fictional system of many and various fertility gods. Man's idolatry to "worship the creation rather than the Creator" (Rom.1:25) gave rise to these "Mysteries". These "Mysteries" allowed mankind to enact the fertility of the earth in his effort to worship his "giver of life"- the SUN-GOD! [This is mythology - the study of myths.] The ironic "mystery" behind Christianity is that its holidays and customs are identical to the fertility cycles found in the mythology which we all studied in junior high school. However to deceive people, it's been embellished in biblically-sounding apparel!

The deception has worked extremely well. So much so that Yahsha - the Jewish Messiah declared that THIS COUNTERFEIT religion, *masquerading as the truth*, labeled as "MYSTERY Babylon the Great" (Rev.17) would conquer the minds of the masses on a global scale (Rev.12:9). So ALLURING to the

senses and cunning are the subliminal deceptions that, if it were possible, even the elect would be deceived (Matt.24: 24).

This religious entity, claiming to be God's "divine" representative, would grow to wield great political power and with its legislative ability enforce the ancient pagan Mystery system of Sun-God worship upon the world. This is the Roman Empire and the Roman Catholic Church (Daniyl 7:7-8; Rev.13 & 17).

As is prophesied to take place in these latter days under the spiritual direction of a Satan-inspired Pontiff, the European Union is forging ahead to resurrect the old "Holy Roman Empire" one last time...

"And the woman (Roman Catholic Church) whom you saw, is that great city (Rome), which reigns over the kings / kingdoms of the earth." - Revelation 17:18

† CHRISTIANITY'S FERTILITY CYCLES

"Nevertheless, the foundation of YHWH stands sure, having this seal:

YHWH knows those who are His, because everyone who REVERES THE NAME OF YHWH DEPARTS FROM INIQUITY-LAWLESSNESS...

Therefore, if a man purges himself of sin, he will be a vessel of honor" - 2 Timothy 2:19,21

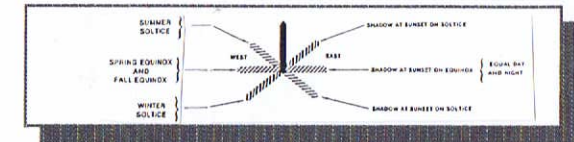

There are many professing Christians who sincerely, yet mistakenly, believe they can worship the Creator while at the same time willfully rebelling against His Commandments. How convenient for this counterfeit to "do away" with our responsibility to uphold YHWH's Righteousness.

"He who says: I know Him, and DOES NOT KEEP HIS COMMANDMENTS, is a LIAR, and the truth is not in him." - 1 Yahchanan/John 2:4

Since the dawn of sin and rebellion against YHWH, pagan men and women regarded the invisible, supernatural world with awe, fear, and hope. They sought to bring their lives into harmony with the natural world. With such a spiritual void (Isa.59:2), life became no more than a struggle for survival and a preparation for death. Hence, they offered up sacrifices and prayers to the mysterious forces of Nimrod's mystery religion, which they believed controlled the forces of nature on their behalf in the hope of

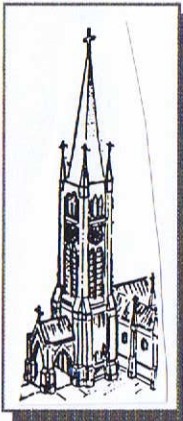

warding off catastrophe, ensure fine hunting, obtain bountiful harvests, and to live again beyond the grave. Pagan man enacted a cycle of worship year round with prayers and supplications to the ancient PAGAN TRINITY - the Mother, the Husband, and the Son. Rituals were performed on the exact dates of the Vernal Equinox, the Summer Solstice, the Autumn Equinox, and the Winter Solstice. For instance, these "Mystery Religions" dramatized the annual decay of vegetation as the death of the "divine" youth-Babylonian Tammuz - over whom a goddess - his mother WEPT or mourned (summer solstice). Later in the solar calendar, the celebrations were with ecstatic joy as the "reborn youth" was re-born or RETURNED (winter solstice - Midwinter Feast - Saturnalia - CHRISTMAS).

The ancient instrument used for this SOLAR CALENDAR to determine the exact date of the solstices was the fertility or phallic pole erected to the pagan SEX goddesses- such as Easter/ Ishtar/ Asherah/ Astarte, etc.

At the summer solstice, this pillar would indicate the death of the Sun-god (daylight hours begin to wane). At the winter solstice, the pillar would indicate when the Sun-god was reborn (days begin to lengthen again). As a result of this practice of Sun-worship, YHWH gave the Israylites over to foreign conquest (Judges 2:13-14). Gideon was instructed to cut down and burn his father's "asherah" poles which stood beside the altars of Baal (Judges ch. 6). This Baal-fertility worship, reinstated again during Solomon's reign, was found inside the YHWH's Temple in "King Josiah's" day, "...all the vessels made for Baal, and for the grove- asherah pole, and for all the host of heaven - zodiac/astrology, and he burned them in the Kidron Valley outside Jerusalem..." - 2 Kings 23:4.

These "sacred" Asherah phallic poles, such as those that stand before Rome's "St. Peter's Basilica", the Washington Monument, and the steeples atop every church roof in the world ORIGINATED IN ANCIENT BABYLON as Queen Semiramis sought to establish the worship of her husband/ son Nimrod as the Sun deity. Her plan has succeeded! (Another symbol of Nimrod-worship: the Christmas tree.) Every time you glimpse an obelisk, a

steeple, a sacred pillar, or a spire rising high into the air from atop a church or building, you are witnessing a relic of Babylon's fertility cults. What global religious counterfeit perpetuates these objects of pagan sex-worship today? *Truth can be painful.*

Participation in each of these fertility rites at the appointed time of the Sun, was believed by pagan man to cleanse the devotee of his sins and MYSTICALLY UNITE him with the GODS. This fertility worship through a

Mother/Son relationship is recorded history in nearly every ancient culture and nation on earth.

Beginning in Babylon it was Semiramis and Tammuz/Nimrod. In Egypt it was Isis and Horus. In India, even to this day, it is Isi and Iswara; in Asia Cybele and Deoius; in pagan Rome it was Fortuna and

Devaki and Crishna

Jupiter-the-boy; in Greece as Ceres and Plutos in her arms; even in Tibet, China and Japan there is Shing Moo and son in arms with a HALO-the symbol of the SUN'S "glory" about her head, see *The Two Babylons*, by Alexander Hislop, pp.20-22. These pagan ceremonies generated powerful emotions. Consequently, this "whoreship" has flourished and been preserved up to our day in the form of the abominable holidays and customs of a Solar-based Catholic & Protestant Christianity...

"Surely our fathers have inherited nothing but LIES & VANITY, of no use at all." - Yereyah 16:19

It is a scriptural fact that none- I repeat-NONE! of the holidays celebrated throughout the Christian world have anything honorable to do with YHWH. In fact, it is no secret that EACH of these "holidays" has its roots in some pagan Devil worship. Simply search the pages of any encyclopedia, finding the subjects: "Christmas" or "Easter". For instance, the Reader's Digest Association,

Pleasantville, NY reveals in their very informative book: *Strange Stories, Amazing Facts, 1980, pp.283-285*, the TRUE ORIGINS of these celebrations--

THE HOLY TIDES-- the ancients had their own celebrations long before Christ: Christmas and Easter, although the greatest festivals of the christian calendar, are celebrated with customs that originated in super-stitions and heathen rites hundred of years before (Messiah) was born. Even the dates owe more to pagan practices than to the birth and resurrection of (Messiah). It was not until the fourth century that Dec.25th was fixed arbitrarily as the anniversary of the Nativity--because the pagan festivals... were held around that time. And "Easter" ...falls according to the phase of the moon that the pagans long ago decided was the appropriate time to venerate their (fertility) gods. As the Roman army subjugated new territories, the emperors took advantage by incorporating or syncretizing the pagan festivals, since the pagans were reluctant to give up their false gods and ancient practices. Dec. 25th was not called "Christ-mass" until the ninth century. Until then, it has been the "Midwinter Feast", a combination of the "Norse Yule Festival" and the "Roman Saturnalia", both of which took place in late December-the winter solstice"

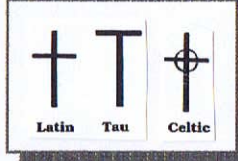

As such references and sources illustrate mistletoe, yule logs, hot-cross buns, easter eggs, egg rolling, christ-mass trees (ever-greens), trick-or-treat, etc. are ALL originally rituals to pagan gods -- and Satan himself - the Great Deceiver! Don't be duped! This is why the Apostle Shaul/ Paul was inspired to warn, saying-

"But I say that the things which the Gentiles sacrifice, they sacrifice to DEMONS and NOT to YHWH; and I do not want you to have fellowship with demons." - 1 Cor.10:20.

THE PHALLIC CROSS

Advertisers know the power of sex. It has a subconscious attraction on both male and female. In religion, false prophets prey upon this weakness of man and have "erected" an entire religion around the phallic.

Today, the cross maintains its "fascinating" stature as the most important symbol of Christianity. It adorns roofs, steeples,altars, furnishings, ecclesiastical garments, homes, hospitals and school walls. According to An Expository Dictionary of New Testament Words, the "cross" was another religious

Latin Tau Celtic

symbol venerated by the people of pagan Babylon. In its original form, it came from the first letter of the god "Tammuz". This T-cross of Tammuz was known as the "mystic Tau". It was marked in baptism on the foreheads of those initiated into the Mysteries - *Catholic's Ash Wednesday.*

"There is hardly a pagan tribe where the cross has not been found."
The Two Babylons, Alexander Hislop

Long before the Jewish Messiah, the cross was spread to all nations: India, Africa, South America, and China where even Buddhists marked their heads with the sign of the cross. The Greeks regarded the cross as the sacred emblem of Adonis (mythological equivalent to Tammuz) who wore a headband covered with crosses. Any book on Egypt showing old walls and monuments from ancient temples can see the use of the Tau-cross or ankh - the "sign of life". To ward off evil spirits, the Vestal Virgins of pagan Rome (today-Nuns) wore the cross suspended from their necklaces as did the Egyptians, and even Assyrian Kings.

From Dictionary of Word Origins by John Ayto, p.220 we find this tidbit...

fascinate: To fascinate somebody is literally to 'bewitch' them...from the Latin ...'witchcraft.' The Roman phallic deity.. .was named Fascinus, because an amulet in the SHAPE of a penis (a cross) was hung around children's necks in ancient times to ward off evil spells.

YHWH sees only abomination in the cross! And there is further proof that the Jewish King has nothing to do with such pagan filth.

"I tell you no, except you repent, you shall all likewise perish." - Luke 13:3

MISTRANSLATION CORRECTED!

N.T. Greek manuscripts do not support the "cross" rendering. Two words have been MIS-translated "cross", they are: "stauros" and "xulon". "Stauros" means an upright pale or stake (similar to a fence pailing) upon which criminals were nailed for execution-with hands fixed in an upright position over their head). The word "stauros" means "to drive stakes"! Homer, in his Greek classics, uses the word stauros of an ordinary pole or stake, or a single piece of timber, and this is the same meaning and usage which we find in the Greek manuscripts. A "xulon" was simply a stick, club, or staff. Neither of these words ever meant a manufactured work, such as a cross, especially two pieces of timber nailed at right angles. Neither Greek word even implies a cross! These Greek words agree with their Hebrew equivalent "ets" for Galatians 3:13 the Apostle was quoting Torah in Deut.21:22-23, *"...cursed is everyone that hangs on a 'ets'- 'xulon'-STAKE"--NOT A CROSS!* This correct rendering confirms that the Jewish Messiah's death and resurrection fulfilled YHWH's Law-Torah and the Prophets. In NO WAY would YHWH promote the pagan sex symbols of ancient Tammuz worship we still see today!

Now you know that all of Christianity is deceived by the LIE of the phallic cross and Babylon's fertility "Mysteries". If YHWH is calling you into His great eternal Family, you have no choice but to stand against its abominations! YHWH is preparing the Bride for the coming Peace of the Kingdom of YHWH. No more psychotic dysfunctional religions in the world to come. Praise YHWH!!
