

EASTER

THE GODDESS OF BABYLON DECLARES WAR!

"They forsook YHWH and worshiped Baal and Easter-Ashtoreth, then the anger of YHWH burned hot against Israyl... So He sold them into the hands of their enemies"
- Judges 2:11-14

Easter - "...incorporates ancient spring equinox ceremonies of sun worship in which there were phallic rites and spring fires, and in which the offering to the diety was eaten. The festival is symbolized by an ascension Lily, a chick breaking thru its shell, colored eggs, spring flowers and the rabbit. The name is related to the goddess: Astarte, Ashtoreth, Eostre and Ishtar." The Dictionary of Mythology Folklore, and Symbols, Part 1, p.487.

Is the worship of this detestable fertility goddess an **ACT OF WAR** against YHWH - the Creator of heaven and earth? Of course it is!! Get the facts! That's why Shaul says...
"...only a Remnant will be saved!" - Rom.9:27

THE BLIND LEADING THE BLIND

"My people are destroyed for lack of knowledge. Because you have rejected the Torah, I will also reject you..." - Hoshayah 4:6

Once again, the false shepherds of Babylonian christianity have led the people into sin against the true heavenly Father who is YHWH, (Strong's Concordance, "LORD" Hebrew#3068 יהוה "Yahweh"; see Ex.3:15; Isa.42:8). The god of this world has successfully used ignorance of pagan mythology, language, and mistranslated english versions to blind the whole world! (See Rev.12:9) The love of YHWH and His firstborn Son Yahsha Messiah have been replaced by popular religions with Easter - the war goddess! Help us open their eyes to see the true nature of their sacred idol or "golden calf". The Remnant repeats YHWH's warning...*"Come out of her (Mystery Babylon) my people", that you partake not in her sins, so that you do not receive her plagues..."* For YHWH will curse Easter (the goddess of Babylon) and pagan christianity with plagues of fire! (See Rev.18:4, 8)
"Prove all things, hold fast to righteousness."
- I Thessalonians 5:21

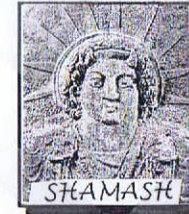

We will quote numerous books and encyclopedic sources which plainly reveal the horrifying role and mythology behind this violent and shameless sex goddess. All we want is for people to be educated with her true history. Please join with the Remnant of YHWH as we expose the false doctrines of pagan christianity which lead to death (Rom.6:23).

Help us blow the trumpet of YHWH!
"Rebuke-reprove your brother frankly, so you will not share in his/her guilt." - Leviticus 19:17b

EASTER DECLARES WAR ON HUMANITY

"The kings of the earth rise up, and the religious rulers take counsel against YHWH's Anointed One..." - Psalm 2:2
Before the Egyptian pyramids were built, the Amarna letters presented Easter-Ashtoreth as the patroness of WAR, as well as sex. From the Int'l Standard Bible Encyclopedia, Vol 1, p.320, "...in Assyria where the warlike side of the goddess was predominant...as goddess of war she is seen unclothed weapons in hand on a galloping horse, charging into war."
Reading Unger's Bible Dictionary, p.412 under **Ashtoreth** - *"Astarte-Easter, a Canaanite goddess...identified with the planet Venus. The name*

is cognate with Ishtar (Babylonian High Mother-Goddess), the goddess of sensual love, maternity, and fertility. Licentious worship was conducted in honor of her. She was the Patroness of WAR as well as sex. See 1 King. 11:4-5,33; 2 Kings. 23:13) Even King Solomon succumbed to her voluptuous worship." With such clear and honest admissions... WHY then does christianity celebrate her every Spring by calling upon this pagan war goddess? This is sin! Exodus 12:32, *"In all things I have said to you, be careful to do them, and make no mention of the names of pagan gods."* (See also: Ps.16:4; Yahsha or Joshua 23:6-7; Zech. 13:2.) War against the Creator and His supreme Law is being taught by the false prophets of Babylonian christianity who prostitute themselves to Easter! *For they call upon her name!* However, she holds no love for those who worship her. This "Easter" is the divine courtesan of Baal (origin of pagan title "the LORD" found in the KJV, thus fulfilling Yereyah-Jer.23:26-27) This filthy demon goddess (the daughter of the Babylonian moon-god "Sin" and sister to "Shamash" the sun god) openly declares war upon all humanity! - as found in archeological tablets from Ras Shamra (the ancient Ugarit) Amarna Letters...

In the Baal epic, Easter *"appears nude in an incredible blood orgy of destruction, for some unknown reason fiendishly butchering mankind, young as well as old, in a most horrible fashion, wading ecstatically in human gore up to her throat, all the while exulting sadistically"*
- Ungers Bible Dictionary, p.412.

Even more sinister is the fact that at this pagan time of the vernal equinox, "Easter" is supposedly to celebrate the resurrection of Jesus-another LIE not supported by any correctly translated "New Testament". The Messiah of Israyl was raised from the dead on YHWH's 7th-day Sabbath! (Request our FREE information -*The Sabbath: Suggestion or Command?*) yet, "Jesus" in Hebrew - the language of heaven - is "H'soos" and means **NOT salvation**, but "the Horse" of War, Judgement and Death! (Rev.6) (Also, request *The Revelation of #5483 H'soos-Jesus the Horse.*) Hence, Easter (the Goddess of War) celebrates the resurrection of "H'soos" the WAR HORSE! It was precisely

during the Spring Equinox (March 20, 2003) that the "king of the north" (Daniyl 11: 40-44) ie. the US's "christian" President George W. Bush, Jr. officially invaded Iraq - *the ancient country of Babylon* - the birth-place of Easter/Ishtar/Astarte. Easter - this very goddess of war - has inspired the "king of the north" to fulfill the opening chapters of the Great Tribulation and YHWH's judgment upon pagan mankind. **So Beware:** calling upon "Easter" and "H'soos-Jesus-Jesus" is calling upon yourself her bloody orgy of war and destruction for the latter days! Don't under-estimate the power of words!

"Death and life are in the power of the tongue..."
- Proverbs 18:21

By calling upon her name, christianity continually breaks YHWH's Law, thus continuing to declare war on Him and His Son the "Anointed" of Israyl - the Savior of the world! (see Zech.6:11-12; Matt.1:21; Strong's Heb#3091 "Yahsha") There is no salvation from war by calling upon the gods and goddesses of war! "There is only one name under heaven whereby men can be saved", and that is "Yahsha" meaning: *YHWH will save* (Acts 4:12). (For more information on the Messiah's true Hebrew Name or "666 in Jesus Name" www.remnantofyhwh.com)

Even today, the merchants of Babylon continue to make themselves rich by marketing and selling products of paganism (Rev.18:15), just as in ancient Ephesus - the home of Artemis (or Easter) (Acts 19:24-28). Did you see this past spring 2003, Walmart, K-mart and Rite-Aid marketed the "new" Easter baskets to christians across the US? These pagan baskets replaced chocolate eggs with heavily armed toy soldiers, plastic machine guns, bomber planes and hand grenades! All implements of war! A K-mart spokeswoman said they were just "a lighthearted and fun gift." But, Lion & Lamb's executive director noted, "to market war as something fun...(sends children) a very dangerous message." Why? Easter is: **a Goddess of War!**

The false prophets of Babylonian christianity support war against humanity and the One True "Anointed" of YHWH! Pagan worship is an act of war against YHWH! Even their mistranslated KJV Bible teaches war against YHWH's pure word by replacing YHWH's "Passover" celebration with the name of the war goddess "Easter" in Acts 12:4! *"We know that we belong to YHWH, and that the whole world is under the control of the evil one."*

- 1 Yahchanan/John 5:19

EASTER- THE WHORE OF BABYLON

"And upon her head a name written,
MYSTERY BABYON THE GREAT the mother
of harlots and the abominations of the earth."
- Revelation 17:5

Easter is the modern form of the AngloSaxon Mother goddess of spring: Eostre (pronounced *eestra*). This is the connection to the word *estrogen*, yes, the female sex hormone.

We find the abomination

of Easter worship being celebrated by apostate ancient Israyl in Ez.8:12-18, "...and with their backs towards the Temple of YHWH, and their face towards the east (meaning: *the direction of Easter*) , and they worshiped the SUN..." This was the Easter sun-rise service! King Solomon married many foreign wives and "went after Ashtoreth or Easter of the Sidonians" (I Kings 11:5) In Book of the Prophet Y Jeremyah, she is the abomination known as the "Queen of Heaven" and named Astarte-Easter in ch.7:18-20; ch.44:16,19.

Universal World Reference Encyclopedia, 1948, Easter says, "...the name and the festival have their origin in the worship of a pagan goddess of spring; it is now THE MOST IMPORTANT OF CHRISTIAN FESTIVALS."

Unger's Bible Dictionary, p.412 gives this info about Asherah/Easter, "...a Canaanite goddess aside Baal whose image was a phallic pole, obelisk (better known as a church steeple) representing the male god of fertility ...Easter was frequently pictured nude bestride a lion with a lily in one hand and a serpent in the other...male prostitutes or sodomites were consecrated to her. The Easter lily is a pagan symbol of the fertility goddess Easter symbolizing grace and sex appeal and serpent fecundity...At Byblos, they have excavated her shrine of legalized vice where her worshipers specialized in sex and war...Easter's religion glamorized lust and murder..."

These are the Babylonian religious roots of the doctrines of the Catholic Church and her sodomite - pedophile priesthood - the priests of Easter!

From the Layman's Bible Encyclopedia, p.209 - "...Easter, a pagan festival of spring which fell at the vernal equinox of March 21. Prominent sym-bols of this celebration of the resurrection of nature (Baal) after the winter were rabbits, symbolizing fertility, and eggs, colored like the rays of the returning sun-god..."

In pagan mythology, Aphrodite or Easter once turned a chicken into a rabbit, thus the tradition of

Easter bunnies laying colored eggs! Do you celebrate this pagan rite?

Reading from Unger's Bible Dictionary, p.905 Queen of Heaven - "*Astarte/Easter, an ancient Semitic diety (goddess), identical with the Babylonian Ishtar/Easter (Venus) (see False Gods) The epithet 'of heaven' alludes to her astral character. Special cakes (hot cross buns) were baked to this goddess (Yer.7:18; Hos.3:1)...which were symbolic representations of the goddess. Her worship belonged chiefly to the women, Astarte-Easter representing the female principle of fertility. She was Chief-High 'mother goddess'.*"

The title, "Mother of god" for "Mary" of the Roman Catholic Church is just a modern name for the ancient fertility goddess Easter - the Whore of Babylon who will be judged by YHWH as written in Revelation. You'll see many catholics wearing t-shirts with the picture of Easter-Mary "the Queen of Heaven", including shrines of this Queen in their front yards. Those who worship Mary-Easter the Whore-Queen of heaven always MAKE WAR against those who do not worship her as the Pope the High Priest of Easter has commanded! This is the Roman Catholic Church and "the Inquisition".

EASTER'S TEMPLE OF PROSTITUTES

"...you and your father's house have forsaken the commandments of YHWH...400 prophets of Asherah-Easter ate at the table of Jezebel..."
- 1 Kings 18:18-19

Easter's polluted cult even presented danger to early Israyl (Judg.2:11-14; 10:6) Even the Savior warns pagan christianity of great tribulation if they don't repent of the idolatry of Jezebel's cult of Easter worship! (Rev.2:20-23) From: The Int'l Standard Bible Encyclopedia, Vol.1, p.320,

"In Babylon, Ishtar-Easter was the goddess of love and war...prostitution was practiced in her name and was served with immoral rites..."

Easter, just as Valentine's Day, represents the sex worship of ancient pagan societies. From the Int'l Standard Bible Encyclopedia, Vol.3, p.430,

"...the Mesopotamian goddess Ishtar/Easter was the embodiment of power of procreation. Numerous clay stones and figurines depicting sexual activities have been found on the sites of temples to Easter. Human sexuality was taught to be connected with the fertility of nature. During the new year (vernal equinox) festival celebrations a priest and priestess engaged in ritual intercourse to secure agriculture fertility for the coming year."

Sacred prostitution was among the main factors that lead to the assembly of large communiites into the first city-states, including Babylon. The

socializing role of the prostitutes to Ishtar-Easter is depicted into the epic of Gilgamesh, written between 1800 and 1600 BCE. This was the practice at the Temple of Easter. Sacred prostitution was always widely practiced in Greece, particularly in the temples of Aphrodite-Easter at Cyprus and Corinth. In the first century BCE, Strabo says 1000 sacred prostitutes worked in her temple there. Hesiod said the "horae" (origin of "whore") "mellowed the behavior of men", their function was to serve men's pleasure than to enoble them thru sacred contact with the Goddess "As late as 150 CE, the women of Corinth took strangers as lovers on the Feast of Adonis. At Lydia woman prostituted themselves to earn dowries, and Lydian men judged their potential wives, not by how much money they had earned, but by how many different men they had sex with. Babylonian custom compels every woman of the land once in her life to sit in the temple of Easter and have intercourse with some stranger. The men make their choice. It matters not what sum of money; the women will never refuse for that would be sin, the money by this act made sacred. After intercourse she has made herself holy in the sight of Easter and goes her way home." - Herodotus.

Quintus Curtius, the historian who accompanied Alexander the Great on his conquests, reported of Babylon: "There is none more corrupt than this people ...Fathers and mothers suffer their daughters to prostitute themselves to their guests for silver, and husbands were not less indulgent with respect to their wives. The Babylonians plunged into drunkenness at banquets, disrobed them-selves until entirely naked...these the most respectable matrons and their daughters."

In Rome, a certain class of protitutes, lupae, or she wolves, attracted clients with wailing howls; the wolf being the symbol of Mother Rome. Underlining the link between sexual ecstasy and death; the lupae or busturariae worked in graveyards, providing sex on tombstones and funeral mourning services. Hosheyah-Hosea the Prophet described in the 8th century BCE the Easter Goddess rites, "...For a spirit of harlotry has led them astray, and they have left YHWH...your daughters play the harlot and your wives commit adultery." (4:11-14)

From the Encyclopedic Dictionary of Religion, p.1342-3, we find these modern fertility rites practiced worldwide, "...ancient agricultural rites were calculated to encourage the soils fertility and therefore a bountiful harvest...for example, women of Finnish peasantry once scattered their breast milk over furrows prior to planting; in Germany, only woman were allowed to sow seeds...the soil was identified with the womb was supposedly (superstition) made fertile by the magic practices of the farmer. The sprinkling of water on the plough at planting time is a typical symbolic link with the fertilization of the female egg by male sperm. In Hungary, to this day, girls are sprinkled with water on Easter morning, in exchange, they give the young men Easter eggs, cooked with nuts and

flowers, all ancient fertility symbols. This custom is the 'Harvest of Adonis'."

This is the satanic religious system which erects phallic obelisks and steeples atop their Churches (derived from goddess Circe daughter of Helios - a witch who turned men into swine.) Easter's symbol is the phallic atop all pagan temples dedicated to Her cult of whoredoms & prostitution. This is pagan mind-control and religious programming for children which teaches subconsciously that elicit sex and fornication are acceptable behavior. This is the real message behind the pagan holidays of deceived protestant-catholic christianity!

CONSTANTINE DECREES EASTER

"And he will speak (decree) great words (laws) against YHWH, and will wear out the saints of YHWH, & think to CHANGE TIMES AND LAWS..."
- Daniyl 7:25

In 325 CE, the Roman Emperor Constantine I convened the Nicene Council, gathering 270 bishops together, in order to unify and establish religious practices within the ever-expanding Roman Empire. Constantine's Council sought to institute new tolerances for pagan practices, including the worship of Easter, and to OUTLAW the Laws of YHWH. The Nicene Creed states, "Let us have nothing to do with the wicked rabble of the Jews."

"...the descendants of Graeco-Roman civilization celebrated Easter on a Sunday...but if it should ever coincide with the Passover festival of the Jews, Easter should be commemorated on the Sunday following. Coincidence of the feasts of Easter and Passover was thus forever avoided."

- Funk & Wagnall's Standard Encyclopedia, Vol.8,

Thus, christianity, in following the Nicene Creed of Constantine has forsaken YHWH for the ancient pagan religions that exalt this wicked goddess.

"This is what YHWH says, Learn not the way of the heathen..." - Y Jeremyah 10:2

"Easter" is the goddess of War! just another name for the Whore - the Goddess of Babylon whom YHWH will condemn to death by fire! (Rev.17:16) Repent today from participating in this worthless system of abomination. Help set her captives free!
