

# B A B Y L O N ' S TROJAN HORSE!

## 6-6-6

### IN "JESUS" NAME!

**How Satan Fooled Christianity into Receiving the Mark of the Beast**

*"There is a conspiracy of her prophets in the midst thereof, like a roaring lion ravening the prey; they have devoured souls; they have taken the treasure and precious things..."* – Ez. 22:25

#### TERRORISM, WAR & TRIBULATION – Why?

Could pagan Christianity actually be calling upon the **4 Horses** of the Apocalypse, as described in Revelation Ch.6? Scholars don't deny the blatant mistranslations and pagan manipulations within the popular English King James Bible of 1611! Have these nefarious manipulations of the texts by the **ancient mystery religions** of Babylon, Greece and Rome caused people into accepting the dreaded number "666" in their foreheads? We assert that the NT writings were hijacked long ago by YHWH's enemies - who schemed & REPLACED the royal heaven-sent Hebrew Name of the Savior with an actual Hebrew word which symbolizes: **war, judgment and death!** *This is a system of blasphemy!* Finally, the Remnant of YHWH has restored the one-and-only prophesied Hebrew Name of the Savior of the world! It's confirmed: for nearly 2000 years, the name used within the Greek, Latin & English texts has been fraud! Hear YHWH's warning *the Name H'soos - Jesus is Babylon's Trojan Horse!*

#### THE TROJAN HORSE IN HISTORY

*The Burning of Troy (c.1671-72)*

The Trojan Horse was a huge, hollow, wooden horse constructed by the Greeks to gain entrance into the city of Troy during the Trojan War in the 12th cent. BCE.

Despite warnings, the Trojan Horse was taken inside the city gates by Trojans who did not realize that Greek army soldiers were cleverly hidden inside. That night, after the Trojans celebrated their "hollow" victory, the raiding party of armed warriors snuck out of the belly of the wooden horse, opened the gates to their comrades and succeeded in conquering Troy. This legendary conflict stirred the imagination of the ancient Greeks more than any other event in their history, and was celebrated in Book II of the *Aeneid* and the *Odyssey* of Homer. The moral of the story? You never know what lies HIDDEN within the belly of a Trojan Horse!

#### "MYSTERY BABYLON THE GREAT"

*"And the woman was arrayed in purple and scarlet colour... And upon her forehead was a name written, MYSTERY BABYLON THE GREAT, the Mother of harlots and abominations of the earth."*  
- Revelation 17:4-5

Prophecies in both OT and NT warn of a conspiracy among false prophets who, under the inspiration of Satan - the god of this world & the "father of lies" (2 Cor.4:4; John 8:44), schemed to hijack and purposely mistranslate the New Testament words of the Apostles! Yermeyah 8:8 warns...

*"Behold, the lying pen of the scribes has worked deceit and written them wrong... they have rejected the word of YHWH..."*

In the most cunning move of literary forgery in man's history, the Greek mystery religions REPLACED "Yahsha" (meaning: YHWH's Salvation, Heb#3091) with "H'soos" (Heb#5483: the horse) - the only word in Hebrew which bears three consecutive 6's or 666 - the NUMBER...found in the NAME...of a MAN! (see Rev. 13:16-18)! This forgery has "caused" unwitting Christians to receive the infamous "Mark of the Beast". By this trickery, Mystery Babylon the Whore has "devoured souls" and "taken-away the precious things" of YHWH - the Name of His Son!

"Mystery Babylon the Great" was a phrase authored by the resurrected Messiah himself! Although the Book of Revelation was recited from heaven in Hebrew to the Apostle Yahchanan (John), we gain insight into the nature of these Mysteries even through the translated Greek word itself, for in this passage, *Mystery* is Strong's Greek word #3466...

**musterion** moos-tay'-ree-on  
from a derivative of muo (to shut the mouth); a secret or "mystery" (through the idea of silence imposed by initiation into religious rites):-  
**-mystery.**

*"Although large numbers of Jews were followers of Yahsha, non-Jews came to predominate in the early Church. They controlled how the gospels were written after 70 CE and how the texts were interpreted. Hellenistic religion of the 1<sup>st</sup> & 2<sup>nd</sup> centuries was deeply influenced by cults called Mysteries..."*

- The Eucharist, *Bible Review*, Dec. 1994, p.37

*"Mystery religions were widely practised in the Greek and Roman areas up to the 4th century AD. By their very nature they were secretive ... As the Homeric Hymn to Demeter makes clear... these revelations are 'awful mysteries' which no one may in any way transgress..."*

The Messiah of Israyl plainly warned us that the Mystery schools of ancient Babylon, Greece and Rome have been Satan's tool for "deceiving the whole world" (Rev.12:9). As a result, "Christianity" is deeply stained with paganism, Greek-thinking, Hellenized creeds, and unscripral practices derived from Greco-Roman infusions through the numerous Greek-translated texts, penned after the anti-Semitic Romans and general Titus destroyed Jerusalem and the Temple in 70 CE!

Just as the Mystery Religions of ancient history, modern Christianity keeps its "mouth shut" concerning these pagan deceptions called mysteries. They have "shut their mouths" and have kept "secret" the crime they have committed! Does this surprise you? Have you ever researched the pagan origins of the term "Easter"? The grandest deception ever foisted upon mankind is now unveiled! Learn why this blasphemous Whore is teaching the world H'soos worship. She will burn just like ancient Troy!

*"she shall be utterly burned with fire: for strong is YHWH who judges her."* - Revelation 18:8

We, The Remnant of YHWH will NOT keep silent!

#### HEBREW – THE LANGUAGE OF THE KING

*"For then will I turn to the people a pure Hebrew tongue, that they will all call upon the name of YHWH, to serve Him with one consent - unity."*

- Zephanyah 3:9

Many scholars, linguists, and historians now attest that the books of the NT were composed in Hebrew. The grammar of the NT does not befit good Greek, but does reflect excellent Hebrew grammar. Dozens of examples of this are found in *The Semitic Origin of the New Testament* by James Trimm, and the book *The Jewish New Testament* by David Stern. Early "church fathers" validate the Book of Matthew was originally written in Hebrew (see Eusebius's *Ecclesiastical History* 3:39; Irenaeus' *Against Heresies* 3:1; and Jerome's *Lives of Illustrious Men* 3) Even Samuel Moffet's ground-breaking book, *A History of Christianity in Asia* confirms this. Hebrew was the language of Judah and Galilee in the first century, being found even on coins of that era. Jews in this area were not Greek-speaking.

Their revulsion to the Greeks and Greek language derives from the fact that the Maccabees had just defeated and driven them and their pagan defilement from YHWH's Temple and Palestine (origin of the patriot "Zealots"). Shaul wrote in Hebrew (the language of the Torah-Law and the Prophets) to converted Jews of the various congregations of the Diaspora who would then teach the gentiles among them. It wasn't the gentiles who were converting Jews to the Greco-Roman faith with a Greek Savior and doctrines of mystery worship! The Apostle Shaul was first and foremost a Pharisee - a Jewish sect opposed to Greek Hellenization, being a "Hebrew of Hebrews" (Phil.3:5) educated at the feet of Gamaliel, a great doctor of Hebrew Torah (Acts 22:3). Shaul defended himself before Romans and Jews in Hebrew (Acts 21:39; 22:2) even hearing the Messiah speak to him in Hebrew when blinded on the Road to Damascus, as Acts 26:14 tells us...

*"And when we were all fallen to the earth, I heard a voice speaking unto me, and saying in the Hebrew tongue, Shaul,... why persecutest me?"*

The eminent first century Jewish historian, priest, and scholar Josephus admitted he could not speak Greek fluently and that the Jews frowned on any Jew who did, "...our nation does not encourage those that learn the Greek language" (*Antiquities*, 20: 11:2). In fact there is a Jewish tradition saying, 'it is better to eat swine than learn Greek!'

Greek anti-Semitism, rooted in the pagan doctrines of the mystery religions of Dionysus and Mithra, was undeniable in the first century. A Dallas

Theological Seminary professor of the New Testament, Darrell Brock, said that according to early tradition, Yahsha and His Apostles spoke a Semitic language. He also said that anti-Semitism was involved in most NT research, including German scholars going back to the 1930's. William Farmer, a N.T. professor at the University of Dallas and author of *Anti-Judaism and the Gospels*, sees a concerted effort by modern-day scholars to divorce Israyl's Messiah from His Jewish roots and language. (This includes the SECRET that the Name of the heavenly Father and His Son were both removed from all Greek translations after 70 CE!)

As "Shem" in the Hebrew language means name, "anti-S(h)emitism" literally translates as: "against the Name!" Because the Messiah came preaching in YHWH's Name (John 5:43) restored and taught His Father's Name (John 17:6,26), the Apostles did the same (Romans 9:17; Eph.3:15). The Mishnah mentions the use of the "Divine Name" or YHWH (Sanhedrin 7:5; Yoma 6:2) close to the Messiah's time, but it is the Talmud that mentions the ritual REMOVAL of the "Tetragrammata" (YHWH) from the "Books of the Minim" (New Testament) at Talmud Shabbat 13 (14:5).

George Howard has done extensive study on the Name YHWH in the NT and says,

*"The removal of the Tetragrammaton from the NT and its REPLACEMENT with the surrogates KYRIOS and THEOS blurred the original distinction between the Lord God and the Lord Christ, and in many passages made it impossible which one is meant...Once YHWH was removed and REPLACED by "Lord", scribes were unsure whether it meant "God" or "Christ"...the REMOVAL of YHWH contributed significantly to the later Christological and Trinitarian debates which plagued the Church of the...early centuries."*

- The Name of God in the New Testament, *Biblical Archeology Review* 4.1 (Mar. 1978) p.15.

Removing the Name of YHWH - the Author of Salvation - does irrevocable harm for those seeking salvation. How much more does the removal of the Name of YHWH's Son - the Messiah of Israyl and Savior of the world! Competent scholars, such as James Strong, author of *Strong's Exhaustive Concordance* to the Bible, openly admit that "Jesus" Grk#2424 is **not** the Savior's Name! (of Heb.origin!)

2424. Ἰησοῦς Ἰησοῦς, ee-ay-soo-see; of Heb. or. [3091]; Jesus (i.e. Jehoshua), the name of our Lord and two (three) other Isr.;—Jesus.

"Death & Life are in the power of the tongue" Prov.18:21  
Now, behold the true Hebrew Name of the Savior!

**THE NAME ABOVE ALL NAMES RESTORED!**

This Aramaic-script Hebrew name #3091 above (correctly pronounced "Yahsha") was given to the "the Branch" by YHWH! The "Branch" is recognized as the Messiah of Israyl (Jer.23:5-6) whose Name was announced in Zechariah's prophecy of ch. 6 ...

*"Take silver and gold; make an elaborate crown, and set it on the head of Yahsha (Heb#3091)...then speak to Him saying, Thus says YHWH of hosts, saying, Behold the man who is The Branch."*

- Zechariah 6:11-12 (a corrected rendering)

**"JESUS" - BORN IN 1525 CE!**

James Strong, author of *Strong's Concordance* knew this prophecy and revealed to us this shocking secret that's been hidden by pagan christianity for nearly 2000 years! Every competent scholar admits that "Jesus" was never uttered by Yahsha's Hebrew Apostles! **Why? Because there is no "J" in Hebrew, Greek, or Latin!** Every time you read "Jesus" in any English NT translations, you are witnessing evidence of the "lying pen of the scribes"! The name "Jesus" was only recently BORN in 1525 as William Tyndale, for his English New Testament translation, altered the "I" from the Latin form "Iesus" to the new letter "J". Therefore, the word "Jesus" **did not even exist** before Tyndale's Eng. translation! From *Webster's New Collegiate Dictionary*, p.1232,

**Transliterate** [*trans-* + *L littera* letter]: to represent or spell in the characters of another alphabet.

**Translation** n 1.a: rendering (*definition*) from one language into another...b: to change to a different substance, form, or appearance: conversion.

From language to language, names are always transliterated - **never translated!** If that were so, then, if President Bush arrived in the state of Israel, he would be announced as: President **Shame**, for that is what "Bush" means in Hebrew!

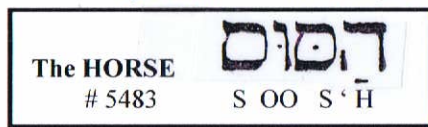

We clearly notice that the Latin form "Iesus" is an accurate transliteration of the earlier Greek form "Iesous" Strong's Concordance #2424 - both are pronounced "H'soos". So, if "Jesus" came from the transliterations of the Latin & Greek forms which are pronounced "H'soos", **what does this mean?** Why did the Greek mystery schools conjure-up this specific counterfeit Hebrew word to deceive man?

**THE NAME OF BLASPHEMY!**

*"Every idle word men speak, they will give account of it in the day of Judgment. For by your words will you be justified, and by your words will you be condemned!"* - Matthew 12:36-37

With words, YHWH brought the physical universe into existence (Gen.1), and we have no right to change YHWH's words, including the prophesied Name of His firstborn Son! Propaganda is very powerful, and manipulating words to control the masses has been the chief weapon of the wicked. Repeatedly, the Savior warned us that words can deceive us (Matt.24:4), another reason for YHWH to command that no one CHANGE His words & Laws,

*"You shall not add to the word which I command you, nor take from it; that you may keep the commandments of YHWH."* - Deuteronomy 4:2

The non-English speaking world pronounces "Jesus" as "H'soos". If the Jewish Apostles called the Messiah "H'soos", they would have called upon "the Horse"; for that is what "H'soos" means in Hebrew! This is not a correct transliteration of Strong's Heb#3091! "H'soos" is an entirely different Hebrew word #5483! the "H" sound (Heb. letter hey) means "the" and "Soos" means "horse". As shocking as this sounds, Christianity is speaking Hebrew when it praises "H'soos/Jesus" - they are NOT praising the Hebrew Savior of the world but "the Horse(s)" of Rev ch.6! Christianity is blaspheming (Rev.13:1) as they pray to the **4 Horses of war, judgment and death!**

17. הַסּוֹס לְחַשׂוֹתָיִךְ לֹא יִשְׁעֶךָ לְחַשׂוֹתָיִךְ לֹא יִשְׁעֶךָ  
lor horse The vain a .strength by is not  
safety (is) thing great saved  
*"The HORSE (Heb. H'soos) is a vain hope for safety"* - Psalms 33:17

*Unger's Bible Dictionary*, p.500: "Horse, figurative. On account of the strength of the horse, he has become the symbol of war (Deut.32:13 Ps.66:12, Zech.6:2-7; 9:10, 10:3) and conquest...The war horse rushing into battle is figurative of the impetuosity of the wicked in sin (Jer.8:6). Read Rev.6!"

The Creator did NOT name His Son "H'soos" - the Horse! The Mystery Religions mistranslated the Hebrew texts, removed the Savior's Name and replaced it with the Hebrew word symbolizing WAR! Words have meanings & words have consequences!

**THE MARK OF THE BEAST - IN IESUS NAME!**

The world is taught the error that the Hebrew Messiah must have used the Babylonian counting system of Base-6 or Gematria for determining the number of the "name of the beast" (Rev.13:16-18). **This is another lie of the false prophets!** Yahsha the Messiah didn't need Babylon's Gematria to derive this number 666! Wisdom tells us that He spoke Hebrew - a system of NUMBERS! The only Hebrew word containing 3 consecutive 6's is... "H'SOOS", which we see today as "JESUS"! The Hebrew letter samech is a "6", & the letter waw is "6". *That's 666!*

ס	ו	ס	ה
Samech (S)	Waw (OO)	Samech (S)	He (H)
←			
6	6	6	-

This was prophesied to occur! YHWH'S Word has been the most corrupted & abused literary work in history! Don't be naive! You've been conditioned by these mistranslations to believe this LIE to receive "the mark of the beast"! There's been no greater threat to the world than this Trojan Horse the counterfeit H'soos-Jesus #666! Can you break your mind-control before it's too late, or is that time here?

Truth is a treasure - please don't throw it away - Contact us & "come out" of Mystery Babylon today!
