

THE BLASPHEMY OF BABYLON

How the Gods United the Nations!

European Union Parliament Building Strasbourg, France

The EU deliberately constructed their headquarters to resemble Nimrod's ancient Tower of Babel
(The First United Nations)

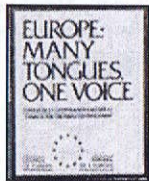

*"Except YHWH build the house,
they labour in vain that build it..."*
- Psalms 127:1

At the Tower of Babel (Gen.11) Nimrod and his fellow tyrants convinced the world that they were gods! The adversaries of the Creator are driven to construct their towers of blasphemy in opposition to Yahweh's perfect blueprint. Today, just as then, religions unite the nations to blaspheme Yahweh's Name reaping the curses of pagan superstition, confusion, slavery & unending war. As a result, the gods they worship actually achieve their goal: *the complete destruction of mankind.* (Yahchanan 10:10)

Since deceiving Adam & Chua by word manipulations, the fallen "Lucifer" continues to control the nations with this same deceit - causing sincere "christians" into committing blasphemy! The paganization of Scripture by Rome's pagan translators has resulted in english versions that are filled with abominations. How? Rome inserted into the biblical texts the names of her gods and goddesses! These Babylonian, Greek and Roman dieties have, in essence, hijacked the Scriptures in order to be invoked by devout "christians" daily. (Deut.32:16-17) In order to protect His people, Yahweh WARNED mankind in His Law against practicing this grievous error of invoking the elohim! (Exodus 23:13; Ps.16:4) By ignoring His commands, the nations have inherited the King James *per-Version*, and other popular english versions, which have one thing in common: *blasphemy!*

*"So essential is language to man's
humanness... that those who have tried to
degrade man and enslave him have first
debased and misused language, arbitrarily
turning meanings... inside out!"*

Lewis Mumford. *The Conduct of Life*

WORDS FORM REALITY

*"...the Gentiles shall come unto thee from the ends
of the earth, and shall say, Surely our fathers have
inherited lies and vanity..."* - Yere-myah 16:19

When trying to dialogue with persons in the present era, we must limit our efforts to persons dedicated to honesty and truth, asking the same question Socrates did in the *Cratylus*:

*"Is there anything which you call speaking the truth and
speaking falsehood--is there true speech and false speech?"*

Dialogue is only possible with those persons who genuinely believe there is objective Truth--beyond personal belief, feeling, or desire. We know, primordially, when we are in our right mind, whether a name correctly or incorrectly refers to a particular reality. Mind control, propaganda, and social conditioning (pagan religious doctrine) can so corrupt the human mind that it does not function correctly; then lies are taken for truth, and our destroyers are taken for beneficent leaders. But even when programmed by an oppressive regime, people retain some connection to their primordial awareness of reality.

In the *Cratylus*, Socrates says that the man who knows how to ask and answer questions is a dialectician and one of the main things the dialectician asks questions about is the giving of true or false NAMES to realities. The dialectician has the ability to recognize what the true reality of a thing is and make that apparent to people. The Remnant of YHWH will try to make this apparent to you by revealing the truth behind the following word:

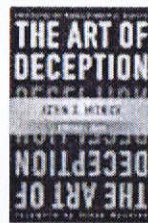

BABEL - Strong's Concordance Hebrew # 894
בבל בבל (B-B-L) = *confusion (by mixing)*

This is the origin of the english word "babel", behold...
Bible - we have inherited the LIE that the word "bible" is a correct reference to the Covenant Word of Yahweh. Here's the trick - the pronunciation "bible" or bibel isn't english, but Hebrew - the language of heaven! It is the SAME word as the Hebrew root B-B-L meaning *confusion*...the Tower of BaBeL/BaBeL/BiBeL/BiBeL. Hence, christians are speaking perfect Hebrew and calling the inspired Scriptures of YHWH the "book of confusion"! Yet, it has become a book of confusion! How?? Because the names of demonic gods have been mixed into the translations! YHWH reveals that Satan the Devil has inspired this confusion! (1 Cor. 14:33) or better, the author of the "BBL" or the BiBeL! Let the world learn the truth and *Stop the Bibeling!*

"Prove all things, hold fast to that which is righteous."
- 2 Thessalonians 5:21

IT'S A "SOPHISTICATED" WORLD

From Webster's New Collegiate Dictionary,
Sophistication - the use of sophistry.
Sophistry - 1. deceptively subtle reasoning 2. Sophism
Sophism - an argument apparently correct in form but actually invalid, esp.: such an argument used to deceive.

THE ART OF DECEPTION

Authored by Kevin Mitnick

Mitnick was the most famous computer hacker in the world. Since his first arrest in 1981, at age 17, he has spent nearly half his adult life either in prison or as a fugitive. His alleged 1982 hack into NORAD inspired the movie *War Games*. *The Art of Deception* is about gaining someone's trust by lying to them and then abusing that trust for fun and profit. This is the SOPHISTICATED agenda of most religions and their false prophets - *PROFIT by deception!*

Similarly, the true Faith or religion of the Hebrew Messiah of 2000 years ago was "hacked into" in order to remove the ordained "data code" - the Savior's Name and His Torah-based teachings. These "hackers" false prophets and pagan translators "hacked into" the New Covenant letters of the Hebrew Apostles and, in effect, inserted text code "viruses" or data corruptions...

THE NAMES OF PAGAN GODS AND GODDESSES!

This cunning design of inserting blasphemy was the same spirit behind the systematic removal of Yahweh's Name from the Scriptures by Mystery Babylon's pastors, priests & rabbis!

*"The name of 'the LORD' is a strong tower;
the righteous run unto it and are safe."*
- Proverbs 18:10 (King James per-Version)

As seen above, most Protestant translations of the "Old" and "New" Covenant Scriptures DO NOT Contain the Name of the Creator of man! There IS safety and deliverance in the Name of the Savior, but "the LORD" is NOT the name of the Savior, but a useless title! "Yahweh" was systematically removed over 6,823 times and replaced by the pagan title "the LORD"! This fact is admitted by all "bible" commentaries and encyclopedias! There are many gods and lords, and the word "LORD" has NO power to save! WHY won't Christian pastors or Jewish rabbis teach their flocks these facts? It's the "Art of Deception" - *betraying people's trust for fun and profit!* Yahweh Himself said He will spread excrement on their faces...for betraying His Name! (Malak-yah 2:2-3; Isayah 42:8; Zeph.3:9; Exodus 3:15; Ps.83:13)

*"Thy Name O'Yahweh endureth forever, and thy
Memorial O'Yahweh throughout all generations."*
- Psalms 135:13

At the Tower of Babel, the nations united against Yahweh. After being dispersed with a variety of new languages (Gen.11), the nations continued to practice their pagan mythologies worshipping a common family of solar dieties. These mythologies, many of them cruel and grotesque, read like a scary bedtime story, the kind that would give a child nightmares. Well, nightmares of slavery, oppression and war have been the common thread thru-out the annals of history, a bloody history of rejecting Yahweh for doctrines of demons. These demons energized the arrogance & blasphemy of infamous Nimrod. YHWH's Law:

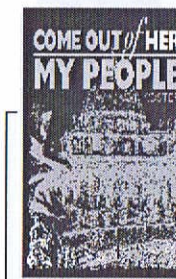

*"...make NO mention of the names of other gods
(elohim), neither let it be heard out of thy mouth."*
- Exodus 23:13

To protect His people from the many curses that result from calling upon demons, the Creator YHWH had to instruct mankind to avoid speaking these abominations. Strong's Concordance shows the word "mention" from Exodus 23:13 to mean:

mention: Heb#2142 *Zaw-kar'* - to remember, recall, to record, to make a memorial, make remembrance.

This is exactly what Rome's mis-translators have done. They RECORDED the names of the gods in the texts of Scripture! (A partial list of abominations will soon be exposed.) Therefore, christians, when reading their popular King James *per-Version*, actually make a *memorial to* and *bring to remembrance* the names of these abominable gods! This breaks the Law in Exodus 23:13 and Ps.16:4! Today, "christians" think nothing about invoking, praying to and recalling the very names of the same demon gods that inspired ancient Nimrod! The Tower of Babel was his "memorial". Today, it's the Bible - uniting christians in blasphemy - just like at Nimrod's ancient Tower of Babel!

The Bible has become the new...Tower of Babel!

COME OUT OF HER MY PEOPLE

Authored by C. J. Koster
Institute for Scripture Research, USA

A hallmark publication of the last days! It unveils the invasion of ancient fertility-sun worship into the Faith of the Messiah. This factual presentation focusing on the origin and etymology of words is well researched material and a must read for all seekers of that "lost faith". *Do you want to escape*

Rome's system of blasphemy and her impending judgment?

*"I saw a woman sit upon a scarlet colored beast,
full of names of blasphemy"*
- Revelation 17:3

As we continue, you'll see firsthand how the gods of the ancient fertility religions have hijacked the inspired Scriptures, and "written them wrong" (Jer. 8:8) We'll continue with another shocking revelation of a particular "biblical" word that proves this assertion! Christians have been taught, *due to the english King James per-Version*, to refer to the Old and New Covenants of Scripture as the "Old Testament" and the "New Testament". Behold the shocking etymology of "testa-ment" - then you decide why "christianity" continues to hold to blatant fertility references

Merriam-Webster's Online Dictionary

> **Testament** - from Late Latin testamentum, covenant with God, holy scripture...from Latin TESTIS witness...
> **Testis** - **Etymology:** Latin, witness: *a typically paired male reproductive gland that produces sperm* and that in most mammals is contained within the scrotum at sexual maturity (testicles)

"They exchanged the truth of YHWH for the Lie: gods and goddesses, and worshiped and served the act of creation, rather than the Creator, who is blessed forever." - Romans 1:25

THE GODS OF MYTH – Level 1

“And they will turn away their ears from hearing the truth, and will be turned to mythologies...”

- 2 Timothy 4:4

A Myth is a story about the universe that is considered sacred. Such a story deals with the great moments of man's life: Birth, Initiation, and Death, referring them to events that took place in mythical times. Through RITUAL, pagan man then becomes contemporary with a mythical event, and participates in the gods' creative actions. Thus, it is believed that man can create, man can maintain, man can renew fertility—just through the rituals man has DEvised thru MYTHOLOGY. This was the mindset confronted by the Apostles when entering the Gentile world to present the glad tidings of the Kingdom of Yahweh. This basic Level 1 consists of gods found in everyday “christian” culture.

The most obvious use of names of mythological gods is found in the names of the months of the solar calendar: **January** - Roman god Janus: two-faced god of beginnings and endings, entry and departure, also doors and gates. The arch of Janus was opened when Rome went to war and stayed that way until the army of Caesar came home.

February - Februs, properly a surname of Lupercus. Named after an ancient Roman rite of ceremonial purification, observed on February 15 at the Lupercalia. The Luperci (priests of Lupercus), clad in goatskins, ran about Palatine Hill striking women with goatskin thongs. This was believed to insure fertility.

March - named after Mars Roman god of war, was more widely worshipped than any of the other Roman gods, probably because his sons Romulus and Remus were said to have founded Rome; the Romans called themselves “sons of Mars.” (Jesuits)

Homework: research the remaining months: April, May, June, July, August and the planets! The gods of the 7-day week: Sunday (day of the Sun-god Baal/Tammuz/Mithra), Mon-day (Mona -Saxon moon god), Tues-day (Saxon war god Tiu, son of Odin), Wednes-day (Saxon god Woden, father of Thor), Thurs-day (Saxon Thor god of thunder), Fri-day (goddess Freya whose emblem is the fish offered by Scandanavians to her on the sixth day), Satur-day (Roman god Saturn-had a terrible habit of eating his own children, mostly out of fear of being dethroned by them.)

Here is a partial list of some common english words which were founded in pagan mythology, using the The Random House Dictionary: **fortunate** - having good fortune; unexpected good (Roman goddess Fortuna)

terminal - end, extremity, pillar (Roman god Terminus-god of boundaries, marker stones) **hero** - man admired for bravery (very name of the Greek priestess of Aphrodite) **music**- the art of sound (the Muses-nine Roman goddesses who are the daughters of Zeus)

Chaos - state of utter confusion (Greek mythology-the unordered mass from which all in the universe comes.) **Mentor**-wise counselor (Greek mythology, friend of Odysseus.) **Cereal**-edible grain (Roman Ceres goddess of grain & plants.) **Psychosis**-insanity (Greek Psyche daughter of Greek king whose beauty rivaled that of goddess Aphrodite. Loved by god Eros.) **Fascinate**-to hold spellbound (Roman Fascinus the phallic god.)

THE GODS OF MYTH – Level 3

“By your words will you be justified, and by your words will you be CONDEMNED!” - Matt.12:36-37

Every aspect of the Gentile's life was governed in some way by a superstitious devotion for these gods and goddesses of myth. This Level consists of a partial list of pagan Greek dieties found within almost all christian babels...cuss words in YHWH's ears!

“Grace be with you all. Amen.” - Hebrews 13:25

Grace? The pagan translators chose this word because it honors three nude goddesses the daughters of the Greek god Zeus. The “Graces”presided over banquets, dances, and all other pleasurable social events bringing good-will to both the gods & mankind.

“...a glorious church, not having spot, or wrinkle..” - Ephesians 5:27

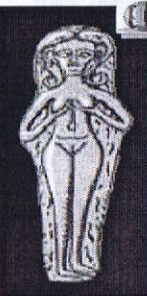

Church? This is NOT the people of YHWH, but the Greek goddess Circe, a witch renown for her venomous drugs who turned men into swine. Early reformers, such as William Tyndale refused to use “church” in his New Covenant, and was burned at the stake by Roman Catholic authorities for his “forbidden” translation.

“where the Spirit of YHWH is, there is liberty” - 2 Corinthians 3:17

Liberty? This is NOT the word for freedom! It comes from Libertas the Roman goddess of freedom with a temple on Rome's Aventine Hill; later the goddess of the Roman commonwealth and depicted on many coins. She stands in NY's harbor!

“...intending after Easter to bring him forth..” - Acts 12:4 KJV

Easter? The English word Easter is derived from the names Eostre, Astarte or Ashtaroth. Astarte was introduced into the British Isles by Druids and is just another name for the fertility mother goddess Ishtar of Babylon. (The above verse should be properly rendered as Passover.)

Divine? Latin for the virgin moon goddess Diva which came from the Greek DEUS Pater or Zeus. YHWH is NOT “divine” (Diva)!!

“..the victory that overcometh the world..” - 1 John 5:4 **Victory?** Derived from Victoria the Roman goddess of victory. If we say “victory”, we are NOT calling upon YHWH's success, but this roman goddess or blasphemy! Do you desire “victory”?

Nike, Inc. - The company takes its name from the Greek goddess of victory, Nike. The popular Swoosh logo was created by Carolyn Davidson in 1971 for \$35. The logo represents the WING of the Greek goddess who always accompanied Zeus in battle. She was an earlier version of Victoria. She HAS overcome “christianity”!

PERVERTING HEBREW - Level 3

“YHWH said, let there be light...”

- Genesis 1:3

“He upholds all things by the word of his power”

- Hebrews 1:3

The universe was created and is sustained by the Hebrew word of YHWH! He gave men tongues with the power to bless or to curse. Now, Evolutionists can't deny the power of sound as the foundation of creation! The following article confirms Genesis 1,

THE UNIVERSE AS A GUITAR?

Place iron filings on top of a speaker and play music, and the filings will form intricate and beautiful patterns, following the pattern of sound. Sound turned into sight, literally. Just like water, we generate complex patterns of sound, and the more complex, the more alive. Here, Estonian scientist Jaan Einasto speculates that the rich pattern of clustered galaxies fanning across our universe may have been orchestrated by primordial sound waves (YHWH's voice) generated at the beginning of time.

Sound Waves May Drive Cosmic Structure, SCIENCE NEWS, 1/11/97.

“Death and Life are in the power of the Hebrew tongue” - Proverbs 18:21

Ancient Israel's heathen neighbors realized the power of Hebrew, borrowing and spinning many particular Hebrew adjectives into the actual names for their pagan dieties. For example, Molech the god of child sacrifice and chief diety of the Ammonites was taken from the Hebrew melech meaning: king. According to the Canaanite's pagan theology, the father of all creation was EL - a name borrowed from the Hebrew root word for: mighty one. They also borrowed the Hebrew word for ‘husband’ or master to get the pagan diety BAAL. The name of Babylonian's chief solar diety “Shamash” came from the Hebrew word for “sun”.

Level 3 centers on how blasphemy includes using Hebrew words in a perverted way! Remember, the spirit world operates and responds to the Hebrew tongue. Speaking the following will not get you the intended results! Without even knowing it, you have been speaking Hebrew when saying the following...

Grace: Hebrew #1644 and means: to drive out, expel, divorce, thrust away...the opposite of YHWH's mercy and compassion!

“Did not ye hate me, and expel (Hebrew gerace) me out of my father's house...” - Judges 11:7

Father: Hebrew #6363 and means: to divide or to open the birth canal or matrix of a woman. This calls Him a pussy!

“All firstborns that openeth the birth canal (Hebrew phather) is Mine.” - Exodus 34:19

This is a very shocking revelation we know, and why we had to share this information with you! “Father” is found all throughout the paganized KJV translation and is causing every “believer” to blaspheme by referring to the Creator as the sexual organs of the female - a clear fertility reference inspired by the Great Deceiver!

Coincidentally, the Messiah warned us in Matt. 23:9 (KJV) ... *“..Call no priest father upon earth: for one is your Father, which is in heaven.”* The Messiah here did NOT say “Father” or vagina, but “Abba” which is Hebrew for “dad” or parent! Let's use the heavenly Abba instead when referring to our Creator Yahweh! You can also use “Daddy” (Hebrew dadi) meaning, “my beloved”. But again, our focus here is to teach you what to

AVOID saying, so as NOT to transgress! We want you to be educated and wise regarding this concept of Satanic word tricks.

“...that old serpent, called the Devil, and Satan, which deceiveth the whole world...” - Rev.12:9

Holy - an evil demones of Hindu legend commemorated in the Holi fire festival in North India. If this isn't bad enough, this is also Heb# 196 (properly pronounced “o'-lee”) and means: silly, foolish. The god of this world has taught silly, deceived christians into describing the Savior as foolish! Total blasphemy!

“And YHWH said unto me, Take unto thee yet the instruments of a foolish (holy) shepherd.” - Zech.11:15

Atone(ment) - This word does NOT mean reconciliation, nor pardon, but is Heb# 860 meaning: female donkey, she-ass. Calling YHWH's feast day Yom Kippur as the “Day of Atone-ment” is literally saying “the Day of the she-ass” Why? Because words have meanings! We have inherited the lies within english!

“And the ass (Hebrew atone) said unto Balaam, Am not I thine ass (atone)?” - Numbers 22:30

God - Heb# 1171,1408: Baal Gawd - Babylonian deity of good fortune. Bibels teach you worship for Babylonian demons!

“But they that forsake YHWH...and that prepare a table for God (Heb. Gawd)...” - Y'shayah 65:11

Shaddai - we are “told” this refers to “the Almighty”, but there is no OT reference or proof to this claim. However, this is a very legitimate Hebrew #7700, 7701: Shad, meaning: demon, devil, destruction, oppression. In witchcraft and the occult, a “shadow” symbolizes evil, and again this english word is rooted in Hebrew! “El Shaddai” literally means: “my mighty demon” or Satan! The Adversary wants you to speak and believe that he is the Almighty YHWH...YHWH is NOT a devil.....Blasphemy!

“H'soos/Jesus is a vain hope for safety!” - Ps. 33:17

Jesus (H'soos) - we are told this is the “divine” name of the Messiah of Israel, but this is NOT the Hebrew word for “Savior”! H'Soos is Heb# 5483 and means: the Horse (of war, judgment and death). Even Strong's Concordance admits that H'soos/Jesus (Grk#2424) isn't the true name, but makes note that the Messiah's Name should be Heb# 3091 pronounced “Yah'-sha”! (Request our expose' “Babylon's Trojan Horse - 666 in Jesus Name”!) Almost every important word in Scripture has been altered and replaced with blasphemy. Satan doesn't want you to speak the language of heaven and be saved! That's why we were forced to publish our translation & collector's item for believers:
