

Daniel's "Last Week" In Prophecy

The Vain Quest for Middle East Peace

On the White House lawn, U.S. President Bill Clinton presided over ceremonies marking the signing of the Oslo Accords between Israel and the Palestinians, with Israeli Minister Yitzhak Rabin, left & PLO chairman Yasser Arafat, right, September 13, 1993.

**"Peace Peace, they will say...
when there is NO peace!"**

Yeremyah (Jeremiah) 6:14

The Church of Babylon falsely teaches a 7-year Tribulation which begins with a 7-year "peace agreement" between the State of "Israel" and her Islamic neighbors. Yet, such a peace agreement WAS actually signed in 1993 at the White House between Israeli Prime Minister Yitzhak Rabin and PLO Chairman Yasser Arafat. Did the handshake as seen above bring an end to decades as sworn enemies? Of course NOT! Shortly thereafter, the Israeli Prime Minister was assassinated and the 1998 Wye River Peace Accord between Netanyahu and Arafat also proved a failure, as Israel today wages war and seige upon the poor Palestinians of Gaza. (Request: Revealing the Cursed Edomites!) So, as history unfolded, the Church's prophetic interpretation of Daniel's "Last Week" failed to materialize! Now, we give you the truth!

It's foolish for people to expect true peace in the Middle East. This promise of peace will not be a reality until the return of the "Prince of Peace" – YHWH's firstborn Son – the risen Savior of true Israel - Yahsha the Meshiakh! Until that time, all efforts will be in vain, as, behind the scenes, the architects of the New World Order execute their depopulation agenda thru terror and global war.

"Deliver me, O YHWH, from the evil man..."

**Who imagine mischiefs in their heart; continually
are they assembled for war."**— Psalms 140:1-2

VATICAN TO MOVE

With the coming collapse of civilization will come a rebuilding of the Temple in Jerusalem by occult Freemasonry in preparation for the coming reign of terror by the Anti-

Messiah – *the High Priest of Mystery Babylon the Great* - the Pope of Rome! Most don't realize that the "palace" of the Vatican is prophesied to move from Rome to the Temple Mount! Daniel 11:45,

**"And he shall plant the tabernacles of his palace
(the Vatican) between the seas in the
majestic mountain (Mt.Moriah); yet he
(Anti-Messiah/Pope) shall come to his end,
and no one shall help him."**

All this was seen long ago by the Prophet Daniel & its understanding revealed in the Last Days by YHWH's faithful Witnesses. Scripture is clear: "Watch" for these "signs of the times"! Daniel's "70-Week" Prophecy is no longer a mystery since the terror of 9-11-01.

**"And I heard, but I understood not: then said I, O
master, what shall be the end of these things? And he
said, Go thy way, Daniel: for the words are closed up
and sealed till the time of the end."** – Daniel 12:8-9

YHWH's witnesses of the last days have been given the interpretation of this timetable (Rev.1:1) – which wasn't even given to the Prophet Daniel! Note: Not one word of YHWH will fail-Luke 16:17.

The Book of Revelation is the complimentary piece of the prophetic puzzle which explains the awesome visions and prophecies given to Daniel. Remember, Daniel didn't have the Book of Revelation in his day. YHWH said He would reveal the understanding of His prophesies ONLY to those who have voluntarily chosen to make the effort to "serve" Him in the last days. Then a final warning is given to the nations THRU them as a witness!

**"The revealing of Yahsha h'Meshiakh, which
YHWH gave to Him, TO SHOW HIS servants
(witnesses) the things - prophetic fulfillments –
which must shortly come to pass..."**

– Revelation 1:1 (See Dan.12:9)

**"Watch and pray, that you may be accounted worthy
to escape all these things (judgments) which SHALL
come to pass..."** – Luke 21:36

WATCH & PRAY!

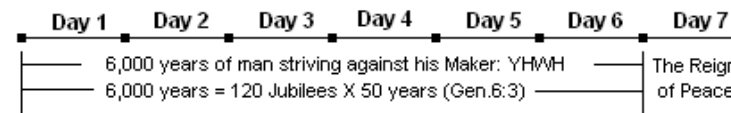

The Messiah warned everyone to watch prophetic trends in the world, so that WHEN the flood of destruction comes His last days disciples will not be caught unprepared. Let's heed His words

**"But just as the days of Noah were, so will also be the
coming (judgments) of the Son of Man ...and they
did not know until the flood came and
swept them away; so also will the
coming (judgments) of the Son of Man be...
Therefore, WATCH!"** – Matthew 24:37,39,42

Those who don't heed this ancient warning are compared to the foolish virgins in the parable of Matthew 25. They "slumbered and slept" & were NOT prepared (physically nor spiritually) to meet the Bridegroom. When people don't know the "times" of YHWH, they tend to stray away because of confusion or impatience. (Luke 21:19)

YOU MUST NOT FALL ASLEEP!

Understanding YHWH's timetable is critical for your salvation! (Rev.19:10) It's just as important as your keeping His Covenant commandments which are rooted in TIME, ie. the weekly Sabbath and yearly festivals (Hebrew "moedim"- appointed times, see Lev.23; 1Cor. 5:7-8). We realize that the world is oblivious and unconcerned about the unfolding prophecies of judgment! Yet, their apathy will lead to their destruction! This world is inclined to "CHANGE YHWH's times and laws" (Dan.7:25). Furthermore, even so-called believing "Christians" are deceived by the false doctrines of false prophets who teach "*Messiah could return tonight!*". This is based on a misunderstanding of YHWH's timetable of events. Although this would be wonderful, it is simply NOT true. The Savior cannot return before His "appointed time". Yahsha cannot alter from the calendar schedule which the author of time has ordained for His coming Kingdom on earth. The Meshiakh can only return at the END of the 6,000 allotted years that commenced at the time of the FALL of Adam and Chua. This time period - *when mankind "strives" or (struggles) against YHWH in sin* - consists of 120 Jubilees (50-year cycles) or 6,000 years-Gen.6:3 The END of these "6 days" BEGINS the final "day" the 1,000 years of peace on earth – known as the "restitution of all things"! (Acts 3:21) This 7,000 year timetable is the foundation of the "weekly" pattern given to us in Genesis chapter 1.

"one day with YHWH is as a thousand years."

2 Kepha (Peter) 3:8

**"they lived and reigned with Messiah for a thousand
(1,000) years"** - Revelation 20:4

As you see in the overall timeline, the 7th day is the 1,000 years of promised peace or rest from the laboring and "striving" against YHWH in sin. Not only is prophecy absolute PROOF that the world was planned and created by an Intelligent Designer who is not subject to death ("Yahweh" means: *existing yesterday, today, and forever!*), but fulfilled prophecy of the past gives mankind hope for the future fulfillment of peace on earth! This is the Great News & hope of man's survival:

"Declaring the end from the beginning..."

My counsel shall stand."- Isayah 46:10

**"Behold...new things I do declare; before they
spring forth, I tell you of them."**- Isayah 42:9

SEVENTY WEEKS ARE DETERMINED...

**"Seventy weeks are determined upon your people,
and upon your qodesh city, to finish transgression,
to make an end of sins, to make reconciliation
for iniquity, to bring in everlasting righteousness,
to seal up the vision and the prophecy,
and to anoint the Most 'Holy' Place -
the Qodesh h'qodeshim"**- Daniel 9:24

Daniel's "70-Week" prophecy is a sub-timetable which is completed at Yahsha's majestic return! It also appears that the majority of this prophecy concerns the ministry and redemptive work of the Messiah of Israel. We will show that currently not only have 69 weeks been completed, but that the first 3-1/2 years of the 70th week has been completed thru the earthly ministry of the Savior!

The reason why no one understands this puzzle is because "Christians" have been misled to ASSUME that there remains one full 7-day final "week" – seven "days" or seven full years remaining on this sub-timetable. The Church of Babylon calls this "last week" & final 7-years as the "**Great Tribulation**" period when the "Antichrist" reigns from Jerusalem. This falsehood is also causing Christians to anticipate another falsehood – the "rapture" to escape their last 7-years of global meltdown. Yet, the Book of Revelation - delivered by the Savior - NEVER once mentioned a 7-Year Tribulation! The Revelation reveals that only 1260 days remains on this time clock, or 3-1/2 yrs!

**The key to a true understanding of Daniel's
"Last Week" in prophecy is now revealed!**

PROPHETIC TIME IN SCRIPTURE

"I have appointed thee each day for a year"

Ezekiel 4:6b

Under the surface, Scripture is written as a puzzle and understanding prophetic time requires the proper keys to decoding this puzzle, including the "70-Week" prophecy of Daniel (see Isa.28:10) As seen above, a prophetic "day" also means a literal year in earth time. (See also Numbers 14:34) So, a prophetic "week" = 7 literal years, and therefore, 70 "weeks" = 70X7 or 490 days. Hence, Daniel's "70-Week" prophecy has a total duration of 490 years! This particular amount of time is significant in many ways. The great symbolic divisions of Israel's history is marked by this perfect number 7. This number 7 is stamped on "the times and seasons" of YHWH's Salvation plan, marking the spiritual perfection of His prophecies! The very first natural division of time to bear this number is the 7-day week and the 7th day Sabbath of rest (Gen.2). The 7th month begins with the Feast of Trumpets (Yom Teruah) marking the Second Coming and the arrival of the Kingdom of YHWH! The 7th year marks the Sabbath of rest for the land, and at the end of every 49 years (7x7) marks the freedom of Jubilee (Lev.25:4,8) Knowing the correct roman year which corresponds to the Jubilee year is the key to determining the time of the Savior's return! (This subject is resolved in our tract: "The Coming Jubilee!") YHWH's dealings with Israel have to do with actual duration of time between events **rather than** specific dates as on a Roman calendar. Amazingly, we find the Creator's dealings with Israel are measured out into four periods, each consisting of 490 years:

Taken from the book, **Number in Scripture**, by E.W. Bullinger, pp.4-7, we find the "70-Week" pattern throughout Israel's history...behold!

490 years: From Abraham's calling to the Exodus, 490 years: From the Exodus to the completion of the First Temple,

490 years: From the Temple to Nehemiah's return, and

490 years: From Nehemiah's return in the 20th year of Persian King Artaxerxes (Neh.2:1) to the return of Meshiakh .

Our main focus deals with this final set of 490 years! What is unique about this final time period is that it commences BEFORE the coming of the Meshiakh, yet it concludes with His return at the end of the 6,000 years. That's over 2,000 years – way more than 490! What's going on here you ask? Obviously, there's a BREAK in this final & last week. In effect, the time clock stopped at a certain point in the timeline, and has NOT yet

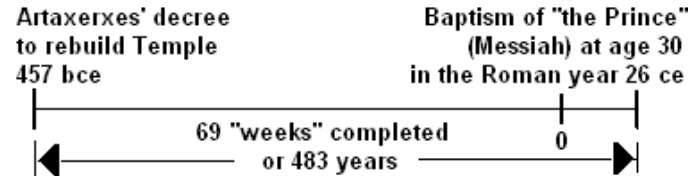

restarted! You are about to discover the event which stopped the clock and the soon coming event which will restart it! Without this understanding, you wouldn't know what to "watch" for!

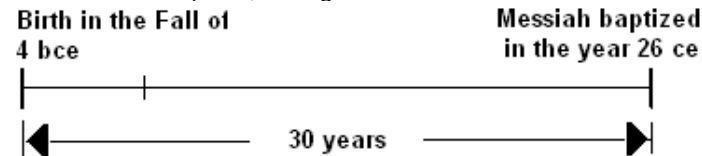

Again, the "70-Week" prophecy of Daniel (9:24) began in the year of the decree by the **Persian king Artaxerxes I** for Nehemyah to return and rebuild the House (Temple) of Yahweh in Yerushalem (see Neh.2). This decree occurred in 457 BCE.

"Know therefore and understand that from the going forth of the decree to restore and rebuild Yerushalem to h'Meshiakh the Prince will be 7 weeks and 62 weeks..." – Daniel 9:25

This totals 69 "weeks" or 69X7=483 years. Here is the timeline which came to pass historically:

The 483 years duration takes us to the roman year of 26 ce. This was the EXACT year when Yahsha h'Meshiakh was baptized by His second cousin Yahchanan (John the Baptist) and began His public ministry – prophecy fulfilled! Yahsha fulfilled this prophecy when he turned 30 which is when an Israelite male could formally begin his ministry in YHWH's name (Numb.4:30). The 69th "week" was completed upon Messiah's baptism! The roman calendar year is off a few years because Rome just can't seem to get anything right! The Hebrew Messiah was NOT born at year 0 or 1, but historical records do confirm that Yahsha the Messiah was born in the autumn season of 4 bce. If 30 years is backed-off the year of His baptism, this agrees with the timeline!

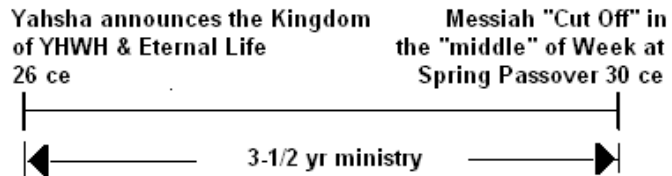

So, Yahsha's ministry began at age 30 in the Fall of the roman year 26 ce. This baptism also began the 70th and Final Week of Daniel's "70-Week" prophecy! This is the information no one knows! Yahsha's announcement of the Kingdom of

YHWH and His offer of redemption and eternal life fulfilled the prophecy in Dan.9:27 which states:

"And he shall confirm the covenant with many for one week, and in the midst (middle) of the (final prophetic) week, he will cause the (Levitical) sacrifice and oblation to CEASE..." – Daniel 9:27

The error in prophetic interpretation of v.27 by the Church of Babylon is due to the false assumption that "he" refers to the coming "Anti-Messiah". Yahsha's announcement of the coming Kingdom of YHWH (Mark 1:15) "confirmed the covenant" "with many" ie.humanity -as promised by YHWH's prophets! From his baptism in the Fall of 26 ce to His Spring Passover sacrifice for sin (Isayah 53: 12) a historical event confirmed in the year 30 ce, this agrees with the timeline of a 3-1/2 years of ministry ending with His murder, or being "cut off".

Again, the Church disregards the fact that the Savior's ministry began the final "week" fulfilling Isa.28:7. The Savior's physical death was the CAUSE of the cessation of the Levitical system! **Yahsha is the key to understanding prophecy!** His death as the Passover Lamb is the ONLY THING that could cause the Levitical "sacrifices and oblations" to cease in YHWH's eyes! Yahsha was the ultimate offering for transgressions, thus "making reconciliation for iniquity" (Dan.9:24), and also because of His life blood being "poured out" (Ps. 22:14-Heb. Shaphak), hence, the "princes of the sanctuary", ie. the ministry of the Levitical Priesthood was "wounded/ pierced" for ALL time - NEVER to be necessary again! (Isayah 43:28)

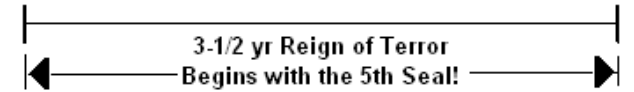

DANIEL'S CLOCK RESTARTS - WHEN?
"So when you see standing in the holy place 'the abomination that causes desolation,' spoken of by the prophet Daniel, let the reader understand"
 - Matthew 24:15

Prophecy is clear, the Temple must be rebuilt! Then the Pope (Latin father) will take his "stand" in the Qodesh Place announcing that he's the "high priest" of Elohim. The clock will

restart at a future Passover sometime AFTER the reconstruction of Jerusalem's Temple! (Rev.11:1)

"Let no man deceive you by any means:... that Man of Sin be revealed, the son of perdition; Who opposes & exalteth (Heb.Rome) himself above all that is called Elohim, or that is worshipped; so that he as a god sitteth in the Temple of YHWH, shewing himself that he is a god." - 2 Thessalonians 2:3-4

Anti-Messiah Stands in Qodesh Place as a God! Clock Restarts... **Second Coming of Meshiakh Completion of 70th Week Fall Feast of Yom Teruah!**

The 3-1/2 Year REIGN OF TERROR
"And there was given unto him a mouth speaking boldly arrogant things and blasphemies; and power was given unto him to continue only forty and two months" – Rev.13:5

The last half of this last week has been reserved for your very near future! The Anti-Messiah reign of **terror and persecution** alongside the UN's World President ie. "the Beast" will begin with the opening of the **Fifth Seal** (Rev.6:9; Dan.12:7) just 3-1/2 years BEFORE the Savior's return! This duration is also recorded as 42 months(Rev.11:2) or 1,260 days.(see Rev.12:6)

Upon His majestic return, the Savior will destroy Satan's servant –Babylon's High Priest!

"They that see thee shall gaze upon thee, and ponder, saying, Is this the man that made the earth to tremble, that did shake kingdoms; who made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners? But thou art cast out of thy grave like an abominable branch, and raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcase trodden under feet."
 - Isayah 14:16-17,19
