WHY YHWH Warns Against E L O H I M

US Operation Teapot - Nevada, March 1955

"...BABYLON IS FALLEN, IS FALLEN, and all the graven images of her ELOHIM he hath broken unto the ground." - Y'shayah/Isaiah 21:9

As we can plainly read, the Prophet Y'shayah called the graven images and gods of Babylon as "ELOHIM". And did your Sunday school teacher or Sacred Name assembly teach you the false doctrine that ELOHIM created the heavens and earth? If everyone believes this, then it can't be a LIE......right? However, the Prophet of YHWH declared otherwise,

"The ELOHIM ...have NOT made the heavens and the earth, even they shall perish..."
- Yeremyah/Jeremiah 10:11

The Savior tells us that Lucifer – the god of this world (2 Cor.4:4) - has deceived the religious masses (Rev.12:9) using the secret societies & pagan mystery religions to replace the name of the Creator Yahweh with pagan titles such as: God, Lord, Adonai, and Elohim. We, the faithful followers of Yahsha the Messiah, accept the prophecy (Jeremyah 8:8) and the historical fact that down through the ages both Hebrew and Greek texts have been altered by deceitful scribes. This doesn't mean we must throw out YHWH's word as agnostics, humanists and satanists try to suggest. Give ear! The Remnant of YHWH exposes ELOHIM as the gods of Babylon & the cursed enemies of YHWH!

and upon his heads the names of blasphemy."

- Revelation 13:1

JEWISH SUPERSTITIONS = SIN!

"If ye will not hear, and if ye will not lay it to heart, to give honor unto my Name, saith YHWH of hosts, I will even send a curse upon you..."

- Malakyah 2:2

"After the Babylonian Exile in the 6th century B.C., Adonai ("My Lord") and Elohim ("God") were gradually SUBSTITUTED for 'Yahweh'."

- The Encyclopedia Americana International Edition, Vol.16, p.13

"To avoid the utterance of the name Yahweh, both before and after the adoption of the qere, other devices were employed. In some cases Adonay was written in the text (so in Dan.9:9 where the Babylonian (author) wrote YHWH); in Pss.42-83 ELOHIM (diety) is substituted for Yahweh; in Amos 5:16 Adonay (missing in the LXX) and in Ps.59:5-6; 80:4-5,20; 84:8-9 ELOHIM are interlinear substitutes for YHWH, which were mechanically copied into the text... Long after the introduction of the qere "Lord" for YHWH (originally 6,823 times in the Old Testament according to the Masorah), but before A.D. 500, vulgar expressions (such as YHWH's Name to the Jews of Babylon...) in the text, as we have seen, were REMOVED by substituting a euphemism in the reading (qere)."

- Introduction to the Old Testament, Robert H. Pfeiffer, p.95

"You shall have no ELOHIM (gods - Hebrew #430) before Me!" - Commandment #1 Exodus 20:3

"Jehovah (Yahweh) - The proper name of God in the Old Testament; hence the Jews called it the name by excellence, the great name, the only name. The (Greek) Septuagint LXX and the (Latin) Vulgate render the name generally by "Lord" (Kyrios, Dominus), a translation of Adonai—usually substituted for Jehovah (YHWH) in reading... that the word Jehovah dates only from the year 1520 ...Peter Galatinus as the inventor of the word Jehovah, and Fagius as it propagator in the world of scholars and commentators."

- The Catholic Encyclopedia, Vol. VIII, 1910.

"Thou shalt not take the Name of YHWH in <u>vain</u>; for YHWH will not hold him guiltless who taketh His Name in <u>vain</u>." – **Exodus 20:7**

In this commandment, the word "vain" above is Strong's Concordance Hebrew #7723 shoah' from #7722 means: bring to desolation, ruin, uselessness.

It is SIN to hide YHWH's Memorial Name by making SUBSTITUTIONS! (Ex.3:15; Isa.52:5; Ps.135:13) This world is cursed because its false prophets

(both Jewish and Christian) continue to bring it to ruinnothingness, thus making His Name USELESS! ! You are a witness! YHWH's Name cannot be found in ANY popular Protestant English versions (ie. KJV, ASV, NIV...) so the people can't honor the Covenant of their Maker and Savior. Thus, Judeo-Christianity has repeatedly transgressed Deuteronomy 4:2!

Therefore, in fulfillment of prophecy, we will all witness the curses and inevitable nightmare of nuclear and biological warfare that takes place in these last days!(Matt.24:22) Get the facts "666 in Jesus Name!"

"I am YHWH, that is My Name" -Y'shayah 42:8 "...they shall be as thorns in your sides, and their gods ELOHIM shall be a TRAP unto you."- Judges 2:3b

The **Interpreter's Bible Dictionary**, under **demon**, **demonology**, Vol. 1, p. 817 tells us what *Elohim* are:

A. IN THE OT. 1. Daimonism. a. Daimon. The Hebrew equivalent of "demon" (daimon) in the original sense is simply אלהים דים אל (*löhîm), commonly rendered "god."

Remember this! "Elohim" is the Hebrew equivalent for demons/gods as found throughout the OT Hebrew text! Q: Why would the Creator call Himself a "demon"? This is Satan's nefarious manipulation to deceive men!

"...and make no mention of the name of other gods -ELOHIM, neither let it be heard out of thy mouth."

- Exodus 23:12

Scholarship admits the texts of Scripture being manipulated down thru history (Jer.8:8). In falling away, the apostate scribes of ancient Israel removed Yahweh's Name and replaced it with the Hebrew word meaning "demons"! Watch the evolution unfold!

"...the documentary hypothesis developed into the dominant explanation of the authorship and composition of the Pentateuch. Essentially, the hypothesis deconstructs the Pentateuch into four primary underlying documentary sources: a Yahwist narrative was dated to the tenth or ninth century B.C.E., an Elohist source to the ninth century. Deuteronomy to the seventh century, and a Priestly document to the sixth or fifth century. The documentary hypothesis goes by the acronym JEDP for the four sources in their presumed chronological order... The editorial work of combining the various sources took place in stages. The editor (sometimes called a "redactor" by scholars) who joined the Yahwist (J) and Elohist (E) sources into JE put them together (they were fused!) shortly after 721 B.C.E. (Another) editor who added

material from a Priestly source (P) did so around 500 B.C.E. giving rise to JEP. When Deuteronomy was added around 400 B.C.E. the Torah as we now have it became complete... Each of the sources has a distinctive style, vocabulary, and theology; each came out of a particular period in Israel's history; and each reflects the attitude and perspective of a particular constituency within Israel."

Did you notice the scholars admit that the Yahwist Source (J) and the Elohist Source (E) writings were put together - FUSED together at an even later date! Remember this point! This FUSED J-E Hebrew texts are the basis for our modern "received" Hebrew texts! That's why you see "YHWH ELOHIM" in the Hebrew interlinears, instead of the exclusive use "YHWH" as in the earliest "J" or Yahwist Source Texts.

"Whatsoever thing I command you, observe to do it: thou shalt not add thereto, nor diminish from it." – Deuteronomy 12:32

This is what occurs when men fail to heed YHWH's instructions! The true word of YHWH has NOT been preserved as YHWH intended but has been altered under the inspiration of the god of this world to bring blasphemy into the texts! Pagan influence & sin brings honor to the Prince of Darkness – the Prince of Elohim the Prince of the Demons – Satan the Adversary! The facts show us how & why the texts evolved over time.

YAHWIST SOURCE (J) TEXT

"That men may know that thou, whose Name alone is Yahweh (Heb# 3068 YHWH), art the most High over all the Earth." - Psalm 83:18

The "J" Source or Yahwist writer uses the Name "Yahweh" exclusively. *It is the OLDEST source of the writings (being penned by Mosheh) which makes it the original source of the inspired writings!* The J-source (so named because the Hebrew letter *yod*, the first letter of the name Yahweh, is transliterated as a "j" in German...), dates to the 10th-9th century BCE. **The Interpreter's Dictionary of the Bible** on (J) says:

One of the principal narrative sources or strata of the Pentateuch. The symbol is derived from the personal name of God, Jehovah (or more accurately Yahweh, from הוה"), the use of which is characteristic of this source. It is commonly regarded as Judahite in origin, and somewhat earlier than E (tenth-ninth centuries B.C.).

ELOHIST SOURCE (E) TEXTS

(ELOHIST) ĕl' ō hist, i lō—. One of the principal narrative sources or strata of the Pentateuch. The term is derived from a Hebrew word for "God" (מלהים, Elohim; see God, Names of, § 3c), the use of which is characteristic of this source.

"And YHWH said to Mosheh, Behold... these people will soon prostitute themselves to the ELOHIM of the land...they will forsake Me, and break the covenant which I made with them."

- Deuteronomy 31:16

The Elohist Source was written after the Yahwist Source and comes out of the Northern Kingdom of the ninth to eighth century B.C.E. The Elohist source gets its name from its use of the Hebrew word Elohim to refer to "God". Elohim is the general word for God, as opposed to the personal revealed name Yahweh. The Elohist scribes lived in the Northern Kingdom after the breakup of the Davidic kingdom. At that time, the Northern Kingdom was ruled by Jeroboam and a succession of paganized dynasties. The largest tribal territory in the Northern Kingdom was Ephraim. These renegade E-source texts are from the North - both Elohist & Ephraim begin with E.

"How can you say, We are wise, and the Law of YHWH is with us? Behold, the LYING PEN of the SCRIBES has FALSIED THEM, and WRITTEN THEM WRONG!" – Yeremyah 8:8

The apostate Northern Kingdom of Israel adopted the paganized language of Canaan, thereby calling upon ELOHIM instead of YHWH! (Isa.19:18; see The Encyclopedia Judaica, Vol.7, p.674) Having forsaken the worship of YHWH at Yerushalem, the false prophets of the Northern Kingdom taught the pagan doctrines of the Canaanites headquartering their worship at Bethel in Samaria. This is when and where the Elohist texts of the Pentateuch ORIGINATED! The blasphemous work of the Elohist writer was to place the names of the gods of Canaan into the text for the people to then give praise and worship! The Elohist Source texts must be rejected as uninspired forgeries!

Judges 2:19 reads,

"But when the judge died, they turned to their former evil behavior, and behaved more corruptly than their fathers, following the ELOHIM and worshiping them."

IS YHWH ONE? ... OR MANY?

"Monotheism is the religious conception of a single and transcendent God. It contrasts particularly with Polytheism, belief in many gods, and Pantheism, belief in God as synonymous with the universe. Judaism, Christianity, and Islam are the principal monotheistic religions." - From the Stone Age to Christianity:

Monotheism and the Historical Process, William F. Albright, 2d ed. (1957)

Such statements are based upon the foundation of the Yahwist Source texts! Because ELOHIM is a plural noun meaning: *mighty ones*- "gods" the pagan worship and the Elohist writings of the Northern Kingdom of Israyl cannot claim to be "monotheistic"! ELOHIM worship is Polytheism! The worship of MANY – the worship of more than one! When Judah or Israyl STRAYED FROM the worship of the ONE – YAHWEH, they fell into the pagan worship of the MANY gods or ELOHIM of Canaan and the nations around them. King Soloman became a polytheist through the ELOHIM of his 700 foreign wives! These Elohim included: Ashtoreth-Easter, Chemosh, Molech!

"So YHWH became angry with Solomon, because his heart had turned away from YHWH...and Who commanded him about this very thing – not to go after the gods (Elohim Heb.#430), but he did not obey what YHWH commanded." – 1 Kings 11:5-7

Unger's Bible Dictionary, we find these facts,

"In Canaan there was a tendency to employ the plural forms of dieties Ashtoreth (Ashtoroth), Asherah (Asherim), Anath (Anathoth) to summarize all the various manifestations of the diety. In like fashion the Canaanite plural ELOHIM ("gods") was adopted by the Hebrews (Northern Kingdom-Ephraim's paganized scribes)..."

- The Encyclopedia Judaica, Volume 7, p. 679 says,

"The plural form elohim is used not only of pagan "gods" (e.g., Ex.12:12; 18:11; 20:3), but also of an individual pagan "god" (Judg.11:24; II Kings 1:2ff.) and even of a "goddess" (I Kings 11:5)...The ODD FACT that Hebrew uses a plural noun to designate the sole God of Israel has been explained in various ways...More likely, however, it came from Canaanite usage; the early Israelites would have taken over elohim as a singular noun just as they made their own the rest of Canaanite language."

"Elohim... This word appears frequently in the OT as a name for diety. Being plural in form, it echoes ancient polytheism..."- Interpreter's Dict. Of the Bible p.413

The above paleo Hebrew text of Deut. 6:4 is a byproduct of the J-E Source fusion that took place after 721 BCE! The standard Jewish reading of the Shema contradicts itself due to the blasphemous error of the Elohist writer. The deceived Jew recites polytheism daily by accepting the corrupt Elohist text for Shema:

"Hear O Israel, Adonai our ELOHIM, Adonai is One."

This traditional Jewish version is NOT the version of the Shema Yahsha Messiah would have recited in response to the Jew's pointed question - Mark 12:28,

"And one of the scribes came, and having heard them reasoning together, and perceiving that he had answered them well, asked him, Which is the first commandment of all? And Yahsha replied, The first of all the commandments is: Hear, O Israyl;

Yahweh is our Abba, Yahweh is ONE."

This "Shema" of the Yahwist Source (J) articulates a fundamental monotheistic principal which differentiates followers of Yahsha Messiah from the pagan world, as well as the elohim of the Jewish world:

YHWH ECHAD - YHWH is ONE.

The Hebrew *echad* is **Strong's Concordance** word #259 *ekh-awd'* and means: *ordinal number (one), first, alone :- ONE.* Here's more proof that YHWH is ONE!

"And YHWH caused a deep sleep to fall upon Adam and he slept: and he took ONE (Heb.#259 echad) of his ribs, and closed up the flesh instead thereof; And the rib, which the LORD God had taken from man, made he a woman, and brought her unto the man."

- Genesis 2:21-22

Just as YHWH brought Adam only ONE wife made from ONE rib — there is only ONE FATHER in heaven whom Yahsha Messiah commanded us to direct our prayers to... "After this manner therefore pray ye: Our Abba who art in heaven, Qodesh is thy Name (YHWH). Thy kingdom come. Thy will be done in earth, as it is in heaven..." — Mattithyah 6:9-10.

YHWH declared that He is NOT many, but ONE! YHWH declared that He is NOT ELOHIM! Yahsha Messiah confirmed this! He knew that YHWH was One NOT Elohim...for Yahsha Messiah spoke Torah!

"See now that I, even I, am He, and there is NO ELOHIM (Hebrew #430) with Me!" - Deut.32:39 **Unger's Bible Dictionary**, p.412 confirms "Elohim" is a title for Satan, his demons and the "gods" of the pagan nations. Later copies of the Hebrew manuscripts succeeded in utilizing this Canaanite term as a name and title for YHWH...

"but this was purely an inherited mythological term and an 'ecumenical' means of referring to Israyl's god when the need arose to AVOID the name Yahweh."

-Dictionary of the Bible and Religion, 1986, p.304

"They provoked YHWH to jealousy with theirELOHIM they provoked Him to anger with this abomination."

- Deuteronomy 32:16

TRINITY Was NOT in John's Epistle of 200 CE!

This pagan concept of polytheism combined with the error ELOHIM is more proof of the blasphemous spirit behind the forgery and spurious verse 7 of 1 John chapter 5 -Christianity's uninspired "Trinity" doctrine!

"...the idea of the Trinity was not one the Bible writers had; instead, it originated in the 4th and 5th centuries AD and is not explicitly and formally a biblical belief. Except for one extremely suspect N.T. verse, there is no unambiguous reference to the trinity in the entire N.T., nor are there any strong suggestions of the trinity of persons in the OT. The earliest N.T. manuscripts made no mention of a trinity. Here's Bishop Clement of Alexandria [1] in 200 AD quoting from the First Epistle of John: "Because there are three who testify, the spirit, and the water, and the blood: and these three are one." Three things are mentioned above, but there's no mention of a three-inone god, the "trinity". Nor is any trinity, or anything like it, discussed in any of the NT manuscripts before about 600 CE, including the Latin and Greek translations. As will be seen, an addition was made to John's verse later." - TRINITY FRAUD IN THE

KING JAMES BIBLE, John Francis Alward, 1997 http://members.aol.com/JAlw/trinity_forgery.html

"One King, one faith, one baptism, One YHWH and Creator of all, who is above all..." – Ephesians 4:5-6a
